Bridgefest 2026 fills Allegan's Saturday

By Gari Voss

Bridgefest celebrates Allegan, its residents, friends and visitors on Saturday, June 13, 2026. Activities will be found on each street, behind the library and on the Riverfront. Everyone is welcome to stop at the Expo booths, tour the Art Market, smash a vehicle, play some disc golf or Corn Hole, do some stitching, and more.

The 2026 edition of Bridgefest is sponsored by Milbocker & Sons along with Cunningham Dalman, and Honor Credit Union. With the Allegan Area Chamber of Commerce taking the lead in organizing the Bridgefest Expo booths, there will be additional activities for all ages. Plus, the Food Trucks and restaurants will satisfy hunger pangs. Tangent will take the Riverfront Stage from 3-5pm and Justice Hill and Nightime Love will be the closer.

Be sure to try some of the newer activities in the lineup with the Bridgefest Boat Show by Gull Lake Marine, the Pokemon GO Event at Tardy's Underground, the Children's Entrepreneur Market organized by Kids Market (Register at https://kidsmarkets.com/markets/allegan), the Free-Throw Competition & 3-Point Shot by the Allegan Basketball Program, Watermelon Carving with The Lord of The Gourd on the Allegan Riverfront, and the Miss Allegan Pageant at the Griswold Auditorium (Girls 14-18 wishing to participate can text 269 650-0860).

For those wishing something a bit more relaxing than participating in Corn Hole, Brew Hops, or Basketball, the Bear & Fox Yarn Den is offering Open Sit & Stitch for beginners to experts.

SCHEDULE OF EVENTS

10am-9pm: Perrigo Plaza Splash Pad
10am-6pm: Make-and-Take Allegan-Themed Shirt Bar at The Sassy Olive

7pm-9pm: Justice Hill and Nightime Love on the Riverfront Stage

Wayland Summerfest returns June 13

By Jordan Wilcox
Assistant Publisher

Summerfest 2025. Picture credit of Mina's Photo

Downtown Wayland will once again serve as the center of community activity when Summerfest returns Saturday, June 13, bringing a full day of family entertainment, classic cars, live music, food, vendors and children's activities.

Organized by Wayland Main Street and the Downtown Development Authority, the annual event has become one of the city's signature summer celebrations. This year's festival will take place throughout downtown Wayland and on Main Street, with activities scheduled from morning through late evening.

The day begins with the Wayland Fire Department's annual Fireman's Breakfast from 7 to 10:30 a.m. at the Wayland Firehouse, a longtime Summerfest tradition that draws residents before the rest of the festivities get underway.

One of the festival's largest attractions will be the Summerfest Car Show, scheduled from 9 a.m. to 1 p.m. at Wayland City Park. Organizers expect approximately 200 vehicles ranging from modern models to classic automobiles. The show will include category awards, a live DJ, giveaways, a 50/50 raffle, and food available from the VFW and 2 Sisters Concessions food truck.

Beginning at 1 p.m., Main Street will transform into a family activity zone featuring several amusement attractions, including the Face-to-Face Race climbing wall, the Spinning Berry ride, and a mechanical unicorn. The rides will operate until 5 p.m.

Throughout the afternoon and evening, families will find a variety of free entertainment and activities. Scheduled attractions include mini golf from 1 to 4 p.m., face painting from 1 to 3 p.m., a balloon twister from 2 to 4 p.m., stilt walkers and variety jugglers from 3 to 5 p.m., and a foam party from 6 to 8

Property owners file lawsuit challenging Leighton Township RV Ordinance

Jason and Shannon Steinebach, owners of lakefront property at 4552 East Shore Drive on Green Lake, have filed a civil lawsuit in Allegan County Circuit Court against Leighton Township. The complaint, filed on May 22, 2026 (Case No. 26-72096-CZ), challenges the validity and selective enforcement of Ordinance No. 2025-12-11-RV, which regulates camping trailers and recreational vehicles on private property.

The lawsuit alleges that the ordinance was improperly adopted in violation of the Michigan Zoning Enabling Act, that it has

Sheriff's office investigates semi truck accident

On June 8th, 2026 , Allegan County Dispatch received a 911 call stating that there was an accident on 106th Ave and 11th St in Gun Plain Twp. During the preliminary investigation, it appears that a vehicle that was southbound on 11th St failed to yield to a westbound semi-truck that was hauling crushed asphalt. The semi-truck lost control and overturned on 106th Ave spilling the crushed asphalt. The driver of the semi-truck was pinned in the truck for sometime before they were able to be removed. The drivers of both vehicles were transported to local hospitals with serious injuries.

The intersection of 106th Ave and 11th St is going to be closed for an extended period of time while the investigation continues. Please avoid the area.

Padgham Field Fly In incorporates planes, cars and more

By Gari Voss & Mike Brouwer

The Allegan Airport Advisory Board is hosting a fly-in / community event at Padgham Field on Grand Street / M-222 on June 20, 2026. The Board invites all to come out to the airport and enjoy viewing an abundance of static displays of all kinds including airplanes, cars and several EMS vehicles.

The day begins at 7am with a pancake breakfast hosted by the Allegan Lions Club. The "kitchen" transitions to a hot dog lunch at 11am until 3pm. Breakfast and lunch will be served rain or shine in the maintenance hangar that is attached to the airport terminal. The minimum donation for each meal is $5 with proceeds going to purchase eyeglasses for those in need.

Special Events:

9am: Blessing of the Airplanes which is much like the blessing of the bikes

10am: Skydiving Event

All day: MyFlight Helicopter Tours ride tickets can be purchased.

Static Displays will be spread around the field and will require walking:

Hot Air Balloon
Planes of all types
A Car Show
EMS services to include fire, police, and ambulance vehicles
Air National Guard Black Hawk helicopter (if not on a mission)

The helicopter that serves the Beacon Allegan Hospital (if not on a call)
Static Displays will be available for viewing with weather permitting.
The Lions Club breakfast and lunch will be offered rain or shine.

This is a wonderful opportunity to learn more about aviation and the improvements to Padgham Field that was developed in the late 1930s and early 1940s as part of pre-World War II community-led initiatives to establish local airports. This development coincided with a growing interest in general aviation in Michigan. Activated in April 1940, the field supported early flight operations with surplus aircraft availability from the era.

The Allegan chapter of the Jaycees, that was chartered on July 26, 1939, played a key role in Padgham Field's early establishment by assisting with the project's development as one of their inaugural initiatives. This was aligned with similar efforts by Jaycee groups nationwide to build local airfields.

Over time, Padgham Field has evolved from its origins as a basic community airfield to a 24-hour general aviation facility managed by the City of Allegan with an airport advisory board overseeing activities. This growth has led to ongoing maintenance and public engagement efforts exemplified by the Fly In / Car Show on June 20.

Allegan District Library receives significant trust distribution

The Allegan District Library is pleased to announce a generous trust distribution from the estate of Robert L. Faske. This contribution will support the library's mission of fostering lifelong learning and community engagement, ensuring that Mr. Faske's dedication to the Allegan community continues to make an impact for years to come.
In recognition of this transformative gift, Mr. Faske will be honored at the library's highest donor level. His legacy will be permanently commemorated within the library's grand entrance as part of "The Copper Shoal," a striking art installation featuring 100 copper fish handcrafted by local artist Mike LaJoice. A dedicated copper fish, bearing an identification tag in Mr. Faske's name, will be added to the installation to symbolize his lasting contribution to the institution.

"We are deeply moved by the generosity of Robert L. Faske," said Pamela Armstrong, Library Director. "This gift is a testament to his love for the community. By incorporating his name into 'The Copper Shoal,' we ensure that every visitor who enters our doors is reminded of his spirit of giving and the vital role of philanthropy in sustaining public resources."

"On behalf of the ADL Board, I would like to extend our thanks and appreciation to the Robert Faske Trust for its generous gift," said Dr. Peter Savage, President of the Allegan District Library Board of Trustees. "Our library is publicly funded, but gifts large and small elevate our services and programs to fulfill our mission and vision."

Council put city police rumors to bed

By Gari Voss

The Allegan City Council made several important decisions during their June 8, 2026, meeting. After sharing information and holding a discussion, the council brought the rumors and scuttlebutt concerning where the Allegan Police Department would be housed to a close. All councilmembers encouraged residents to stop at the city tent during Bridgefest to share concerns and ideas.

Water Department

Cross-Connection Device Inspection. The request to approve two five-year contracts with Hydro Corp to continue administering the water system cross-connection program for both residential and commercial/industrial water connections to the Allegan Water System was passed.

This continues the work with Hydro Corp to inspect commercial and residential connections. The state requires that the city system be tested and certified annually by a licensed technician. This includes all industrial, commercial, institutional, and residential users. In previous years, a few industrial users and commercial users were inspected annually, the city has relied heavily on the users to submit the required backflow testing certification, but the State now requires that inspections be performed regularly and reviewed. Hydro Corp will perform a minimum of 100 inspections each year and re-inspection if not in compliance.

Public Works

Fly In Banner. The request to place a sign at the Padgham Field Airport promoting the Fly-In on June 20, 2026, was approved.

Administrative Services

Payables. The request to approve accounts payable in the amount of $858,404.03 and payroll in the amount of $130,090.39 for a total disbursement of $988,494.42 passed.

Wage Increase. The request to adopt Resolution 26.18 to approve wage increases for non-union employees for Fiscal Year 2027 passed. Each non-union employee will receive a 4% increase which is equal to union employees. This was included in the FY2027 budget.

Budget Adjustments. The request to adopt Resolution 26.19 to authorize the Finance Director/Treasurer/Clerk to make 4th Quarter Budget Adjustments passed. This will allow the treasurer to make all the adjustments that were approved by the council at previous meetings in preparation of the closing out of FY2026.

Part-Time Wage Adjustment. The request to approve an amendment to the Personnel Policies and Procedures Manual to revise Section 8.0 Medical Insurance to include Regular Part-Time employees working at least 32 hours per week passed. Services to the public will remain the same, and the employee will keep the Medical Insurance under the new hours.

Public Opinion Survey. The request to discuss the idea of conducting a public opinion survey began a conversation regarding the possibility of doing a survey, what it would include, how it would be administered, and how the data would be utilized. City Manager Joel Dye shared in the meeting packet a variety of public surveys used by other cities and firms that do these surveys. This was not to get an approval at this meeting but to have a discussion with the council. Council questions referred to whether the city could tailor the survey for Allegan. The cost for a city of Allegan's size was questioned. The council felt that getting public opinion was good but wanted to have cost estimates before making any decisions. This would be only for the city residents and not the township. A question was raised as to how to monitor the survey returns. The members voiced questions about analyzing the data and how the data would be used to guide future decision making. Dye shared that he would seek costs before any decision was made.

Large Lease Space. The request to discuss and give direction regarding the future of the City Hall Large Lease Space that is being vacated by Saunder Chiropractic brought pros and cons to light.

Leading into discussion, City Manager Dye gave a thumbnail sketch of how the space became vacated. When Rocky Saunders began leasing the space, he had voiced that someday, he would like to purchase his own building. As the current lease was coming to a close, Dr. Saunders was able to purchase a building on Hubbard Street. That left the space vacant.

Dye held a discussion with department heads which included moving the police department into the space for a cost saving. From the chart shared during the council meeting, the cost saving did not indicate a significant benefit. The council members had been approached by community members who gave little approval for this move. Weighing the comments, the motion was made and passed to rent the space in City Hall to another business.

Chief Jay Gibson took a moment to thank City Manager Dye for having the conversation with the department and council for maintaining the department in its current location. Chief Gibson did share that each time the thoughts are raised to move the city police department, it takes a toll on the officers. He hoped this was the last cost cutting idea that would affect his department.

Downtown Allegan Retail Market Analysis. Assistant City Manager Parker Johnson summarized the visit of Bob Gibbs to Downtown Allegan and his interactions with business owners. The request to adopt the 2026 Downtown Allegan Retail Market Analysis prepared by Gibbs Planning Group and the authorization that it be included as a supporting document to the 2026–2030 Downtown Allegan Master Plan was accepted. Johnson shared that the information would be discussed at the next DDA meeting and the results used in crafting the new Master Plan.

PUBLIC COMMENT

Several in attendance came to the microphone to thank the Council for deciding to have the police department remain in their building and put the issue "to bed".

Members supported the idea of having the council conduct a survey to collect information from the residents.

A resident on Sherman Street raised concerns about the traffic on Sherman between Sunset Street and Lincoln Road. He had used a speed gun to determine the speed of almost all vehicles on this section of road. No one was going the 25 mph speed limit. With the new school opening, there will be more traffic and even more children along the street. He made suggestions for installing stop signs in addition to the electronic speed monitor.

COMMUNICATIONS FROM THE CITY MANAGER

1. The grant application was completed to add more apartments downtown. It is great to see developers investing in Downtown Allegan.
2. The council will take a tour to look at parts of the city that must be addressed. This includes part of the boardwalk behind Jaycee Park because of disrepair and some streets in key areas of town.
3. Activities are now in full swing of summer – Fork in the Road on Mondays, Rollin' on the River on Fridays, and Bridgefest.

ROUNDTABLE DISCUSSION

Councilmember Canalis wanted to thank the city staff for their diligence in keeping things on track and thanked the council for keeping control of their high quality city police department. Then he thanked the officers for their efforts in keeping streets safe.

Councilmember Hooker reminded the council that Chat with Council will be at the city's Bridgefest tent from 11am to 6pm on Saturday. She encouraged people to come and share ideas.

Charles Clark shared that as a new council member, he wanted residents to know that they can approach council members for any reason. He is happy to discuss ideas and hopes that there is open conversation. He invited all with ideas for revenue besides millage to please share them, but if the council doesn't hear from residents, nothing can be done.

Councilmember Westfield encouraged everyone to come out to Bridgefest on Saturday.

Walker questioned the future for the fence that was a concern. Dye shared that the people with the fence were advised that they could put it back up or take it down. There is no city ordinance that requires property owners to have a fence, but he had to be taken care of.

Perrigo wondered if there should be a Public Safety Committee to look more carefully at concerns about blight, street safety, etc. to make sure things are addressed in a timely manner. This group could look at monthly tickets and arrests. City Manager Dye felt that he and Chief Gibson could investigate this and see if there were seven volunteers to sit on this advisory board.

CLOSED SESSION

Closed Session was held concerning the purchase or lease of property.

Allegan Health Department monitors beaches

By Gari Voss

Beach sampling by the Allegan County Health Department (ACHD) began sampling the water of select beaches on Memorial Day.

The testing monitors *E. coli* levels in recreational waters to make the public aware of any health concerns is done weekly from Memorial Day to Labor Day.

The monitoring is funded through grants from the Beach Act - Great Lakes beaches and the State of Michigan's Renew Michigan funds - inland beaches. ACHD selected the following Allegan County beaches:

- Oval Beach (Saugatuck)
- West Side County Park Beach (Ganges)
- Dumont Lake County Park Beach (Monterey)
- Gun Lake County Park Beach (Wayland)
- Little John Lake County Park Beach (Allegan)
- Swan Lake Boat Launch (Cheshire)

Test results can be reviewed at the MiEnviro BeachGuard Website and Facebook.

If a beach tests above the recommended level for *E. Coli*, an advisory will be issued and posted on the website and Facebook page. Signs will be posted at affected beaches with recommendations to avoid the water until follow-up testing demonstrates that levels have lowered.

Safe Practices

Swimming in lakes or man-made water can be at risk of exposure to waterborne germs. Anyone with a weakened immune system can be at risk of waterborne illnesses.

The germs can bring on ailments such as:

- Irritation of eyes, skin, or respiratory tract,
- Swimmer's ear,
- Flu-like illnesses, or
- Diarrhea.

Most often, Allegan County beaches and State Parks are safe. Beach goers can use their judgement to check the current BeachGuard before swimming.

Those who use the beaches can keep the areas safe and reduce risk of illness by:

- Disposing of trash, animal waste, and boat waste properly,
- Using the restroom before swimming,
- Not swimming in water that smells foul or looks murky,
- Not swimming immediately after heavy rain when *E. coli* levels may be high,
- Not swallowing lake water,
- Vigorously toweling off after swimming,
- Washing your hands with soap and water before eating,
- Showering as soon as possible when you return home,
- Keeping pets off the beach.

In addition, watch for Harmful Algal Blooms (HABs) that can form, because some blooms can be toxic. Do not swim in them. If they get on the skin, or fur of pets, wash thoroughly as soon as possible.

For more information on Allegan County Beach Monitoring, visit allegancounty.org/health or contact ACHD at 269-673-5415 or alleganeh@allegancounty.org. More information on E. coli in surface water and water quality standards can be found at Michigan.gov/ecoli.

COMMUNITY SPOTLIGHT

Summerfest 2026 Schedule of Events

Downtown Wayland will once again serve as the center of community activity when Summerfest returns Saturday, June 13, bringing a full day of family entertainment, classic cars, live music, food, vendors and children's activities.

Organized by Wayland Main Street and the Downtown Development Authority, the annual event has become one of the city's signature summer celebrations. This year's festival will take place throughout downtown Wayland and on Main Street, with activities scheduled from morning through late evening.

Organizers encourage residents and visitors to spend the day exploring downtown, supporting local businesses, and enjoying one of Wayland's largest annual community celebrations.

The full schedule of events is as follows:

7:00-10:30 a.m.
Fireman's Breakfast — Wayland Firehouse
9 a.m.-1 p.m.
Car Show — Wayland City Park
1-5 p.m.
Face-to-Face Race Climbing Wall
Spinning Berry Mechanical Unicorn
1 p.m.
Cornhole Tournament
1-4 p.m.
Mini Golf
1-3 p.m.
Face Painting
2-4 p.m.
Jake Stevens live music
Balloon Twister
3-5 p.m.
Stilt Walker
Variety Juggler
5-7 p.m.
Silent Bark live music
6-8 p.m.
Foam Party
8-11 p.m.
Sushi Roll live music
All Day
Vendor Market
Bubble Artist
Dunk Tank
Restaurant and Social District Specials

Actors and singers sought for Dreamland in Allegan

By Gari Voss

The Allegan Community Players (ACP) is ready to hold auditions for *Dreamland* or *A Musical Riff on Shakespeare's Midsummer Set During the Declassification of Area 51*. All interested in auditioning can come to the Griswold Auditorium on either Sunday, June 14 or Monday, June 15, 2026, from 5-9pm. Possible callbacks will be on Tuesday, June 16th.

Before coming, being familiar with the setting is Nevada's top-secret Area 51, which was a highly classified United States Air Force facility located at Groom Lake in the southern Nevada desert, north-northwest of Las Vegas, may be helpful. Area 51 has been declassified from its top secret developmental and testing ground for innovative military aviation. It is about to be opened to the public and is called "Dreamland".

Who thought it would be a good idea to give a group of high school honor students free rein in a top-secret military base two days before it opens to the public? Will there be aliens? Maybe. A show choir? Definitely. An over-the-top, B-movie-style musical comedy with a score that blends contemporary musical theatre pop with the smooth sounds of the 1950s

The cast can consist of actors of all ages who love to sing and move to the music of the 50s and more.

There is a group of enthusiastic, science-obsessed high school honor students who are given special access to the base just before it opens. These are referred to as the Lovers.

Then, there is the energetic show choir.

Add a group of stranded extraterrestrials who have been hiding on the base since the 1950s -and are obsessed with 50s music.

Specific roles include

The Adults: Melissa (Channel 9 news reporter), Colonel Rasmusson (Air Force officer), Principal Wilson (Las Vegas Prep School), Snyder (caretaker at Area 51). And Camera Operator (Channel 9 news).

The Students: Rebecca (the ambitious teenager), Randy (geology nerd), Eliot (the meteorologist who dreams of being a weatherman), and Aurora (astronomy buff and secret conspiracy theorist).

The Aliens: Oberon and Titania (the no-nonsense alien co-captains), Puck (a mischievous, glitter-loving youth), and the Minions – Cobweb, Peaseblossom, Moth, and Mustardseed.

The Performers fill out the cast: New Dawn, a high-energy show choir from Las Vegas, complete with their own student director (Quinn) and composer (Scott).

The question is whether or not it really is a Dreamland. The production is booked as an over-the-top, sci-fi musical comedy written by Broadway songwriters Chris Miller and Nathan Tysen, who created the music for *Tuck Everlasting* on Broadway. It was commissioned specifically for high school performers by Educational Theatre Association and Concord Theatricals.

To become more comfortable with the music score, go to https://concord.com/news/premiere-studio-cast-recording-of-dreamland-a-new-musical-by-chris-miller-nathan-tysen-now-available/.

More information about auditions as well as sides and what to expect will be on the website: allegancommunityplayers.org.

Mental Health: A Crisis We Can No Longer Ignore

MIKE'S MUSINGS

MIKE WILCOX
■ PUBLISHER ■

I used to think alcoholism was the biggest problem facing Americans. Along with drugs it certainly is a disease that affects many of us. However, mental health is a much bigger problem and when you combine it with alcohol. you have a real recipe for disaster.

Mental health is often treated as an afterthought. Millions of people struggle with anxiety, depression, stress, loneliness, and other mental health challenges every day. These struggles affect students in classrooms, employees in workplaces, parents at home, and people in every community. While awareness of mental health has improved over the years, awareness alone is not enough. We must move from simply talking about mental health to actively addressing it.

I don't know much about students in the classroom other than many of our serial killers are mentally ill. I have, however experienced employees in the workplace going off the deep end. It's not pleasant. One day they are as nice as can be and then next day they are filled with anxiety and hate.

One of the biggest problems surrounding mental health is stigma. Many people are afraid to seek help because they worry about being judged or seen as weak. Society has often encouraged people to "tough it out" or keep their struggles private. This mindset can prevent people from getting the support they need. Mental health should be viewed in the same way as physical health. If someone breaks a bone, they seek medical treatment. The same should be true when someone experiences emotional or psychological pain.

Education is one of the strongest tools we have to fight this problem. Schools should teach students about stress management, emotional well-being, and coping skills from an early age. Understanding mental health can help people recognize warning signs in themselves and others before problems become severe.

Communities and workplaces also have an important role to play. Employers can provide mental health resources, flexible support systems, and encourage healthier work-life balance. Families and friends can create safe environments where people feel comfortable speaking honestly without fear of criticism.

Access to care is another major challenge. Mental health services can be expensive or difficult to obtain, especially in underserved communities. Expanding access to counselors, therapists, and support programs should be a priority. Help should not depend on where someone lives or how much money they have.

Fighting mental health issues will not happen through one solution alone. It requires changing attitudes, increasing education, improving access to care, and showing compassion toward others. Small actions can make a difference: checking in on a friend, listening without judgment, or encouraging someone to seek help.

Mental health affects all of us in one way or another. Ignoring it only allows the problem to grow. If we want healthier communities and a stronger society, we must recognize that caring for mental health is not optional—it is essential.

LETTERS TO THE EDITOR

Comforting the Afflicted and Afflicting the Comfortable

To the editor:

Thank you for your column of June 4 in which you state the time has come to abolish the MEDC (Michigan Economic Development Corporation) due to its inefficiency and reported findings of corruption. Newspapers, particularly small local newspapers, are facing difficult times and many are either becoming absorbed into larger regional ownership (Allegan News) or they are shutting down their presses and closing their doors. With this column, Mr. Wilcox, you are doing what the 4th estate is supposed to be doing: holding a government entity to account. Our hope is you will continue speaking out against corruption and malfeasance throughout government. Holding government officials accountable may well be the salvation of the watch dogs of democracy.

Donald Trump recently extorted 1.776 billion taxpayer dollars to fund his gang of cop beaters. This would be a good thing for you to look into with your editorial prowess.

Bill Huizenga just voted to take more money away from SNAP recipients and those in need of healthcare in order to pay for cutting taxes for the wealthiest among us. How about pulling back the curtain on Bill's self dealing at our expense?

Donald Trump continues to buy stock in companies which will be affected by his decisions. He's made a bundle in spite of the emoluments clause of the Constitution. Do you have anything to say about this?

Bill Huizenga also voted to keep the war in Iran going in spite of the cost to ordinary Americans. Gas prices are up with bigger increases on the horizon. Grocery prices are causing working people to choose between buying food or buying much needed medicine. Do you still think tariffs are a good thing?

Donald Trump demanded—and Bill Huizenga voted for—an enormous sum of money to allow ICE to continue its unaccountable brutality. As the editor of a newspaper reaching common people in many small communities, wouldn't you want to see some accountability from these government actors?

Rampant corruption is interwoven with all of these issues. It's particularly gross coming from our White House but the trickle down effect is threatening democracy across the nation. When questioned about his corruption, Trump attacks the questioner. Huizenga just disappears or hides behind a weak facade of "bipartisanship".

Is this the kind of government our founders wanted to establish? Corrupt, hate-filled, suspicious and vindictive? What do you think?

William and Mary Jones

Ten Current Distressing News Stories

Dear Editor:

These are 10 of the news stories that we need to take seriously. Unethical and illegal practices are running rampant in our society. The following 10 news releases are some of the current ones:

1. Trump bought a considerable amount of Dell stock ($5 million worth). Two days.later the Pentagon granted Dell a 9.7 billion dollar contract. Another scandal in the making.

2. The Dell family donated $6.25 billion in funding the so called "Trump Accounts", a new tax-advantaged savings vehicle created in the "Big Beautiful Bill Act" with a focus on protecting multi-billionares from paying their fair share of taxes.

3. Susan and Michael Dell the company's billionaire founders are in the pockets of the President of the United States. How much money is enough for the ultra wealthy? They appear to be willing to put the.most vulnerable to life threatening positions. Good Government should be helping our poorest and also the middle class which is the bulk of our citizens statistically. Also when the.middle class prosper the overall economy re.ains robust.

4. Representative Bryan Steil from Wisconsin is taking credit for helping bring $94.3 million for the state to reduce lead in the water except the flow of money came from a bill President Biden got passed in the bi-partisan infrastructure law that Representative Steil voted against. What a phony politician. Republicans need to call out their colleagues when they display unethical stances. These politicians who blind eye negative behavior do not deserve your vote. Locally that is Representative Bill Huizenga.

5. Capitol rioters are clamoring for Slush fund payouts. Criminals attempting to receive illegallly obtained funds. Modern day politicians stealing public funds and giving them to convicted felons. It feels like a fictional movie, only problem it's reality from the Republican Party and the Trump Administration. Recently the funds have been put on hold.

6. Trump called James Talarico running for the Senate a Transgender on Fox News. This is not true, and Talarico responded by calling the accusation a bigoted response to Villiers the Transgender population. Fox News which is not a licensed news agency are also guilty of defaming James Talarico. It's interesting that his opponent Ken Paxton has been involved in many scandals and found guilty of securities fraud along with ongoing allegations of corruption. He was ordered to pay $300,000 in restitution and complete community service. Ethics to Ken Paxton mean nothing.

7. A judge ordered Trump to address fraud allegations in the $10 billion dollar lawsuit against the IRS that the deal was designed to improperly benefit Trump and his allies.There were 35 former federal judges calling to reopen the case to determine that the out of court settlement "is a product of collusion and is itself a fraud on the court". Another brewing scandal.

8. Trump is pushing agencies to lessen childhood vaccinations putting preventable diseases at risk. Taking care of citizens is not a priority.

9. Military Promotions: Defense Secretary Hegseth intervened to try and promote Captain William Francis Jr.a member of Hegseth's inner circle who has been previously passed over by promotion boards because other candidates were more deserving. The nine officers blocked by Hegseth three were women and two Black men. The secretary's action is in violation of rules governing promotions that are supposed to be apolitical and merit based. This comes on the heels of Hegseth blocking four Army colonels. Under President Trump and Secretary Hegseth two women and two Black men who were slated to become one star generals. Under Trump and Hegseth kakistocracy has taken place. Talent and service has gone out the windows, how sad!

10. President Trump's new pick for Director of National Intelligence is Bill Pulte, a federal housing official who has no previous intelligence experience and is known as a staunchTrump loyalists. He was named acting as the Senate would have to confirm this appointment. Some Republicans have already voiced opposition to his position. He is incompetent in both positions.

Interesting how Gerrymandering originated. Massachusetts Governor in 1812 wanted to redraw maps for state senate race. He got it passed in the state legislature. It got its name by the Governor's last name and a salamander which was deemed as a unwelcome creature. Gerry lost his election for Governor as Gerry was considered a dishonest person with immoral values even though he was Vice President in the James Madison Administration. We should label it immoral in today's politics.

This is a.list of 10 to consider whether you agree or disagree with the direction of our country politically. Sad to say there are many more examples. Please become informed before you vote and vote your conscience.

Mark Austin Hopkins

95,000 Rides in One Year!

Dear Editor:

Thanks to Your Support Interurban Transit Authority, "the bus", was established in 1980. We've grown and so have our services. Residents, people who have second homes here and visitors depend on the bus. Voters have always approved millage to support us. In the next few weeks you will see testimonials from our neighbors who use the bus to go to the grocery store, to local retailers, to meet friends at local clubs and restaurants, to go to worship services, to visit friends, to avoid parking congestion, to get their students to and from Saugatuck Public Schools, to pick up their vehicles at service facilities.

People with permanent disabilities use our services thanks to wheelchair lifts on all buses. Home bound people have their prescriptions delivered by the bus, people who have temporary driving restrictions due to illness or injuries depend on the bus, people ride to and from Holland on Tuesdays, elderly people sponsored by the Commission on Aging get their transportation on the bus. In winter months the bus will pick up meals ordered at local restaurants and deliver to local residents.

The list is long and there are many other reasons people depend on the bus. None of us knows when we might need public transportation. Please vote to renew millage for Interurban Transit Authority on the August 2026 ballot!!

Stephen Chase

Elementary, middle school educators should be recognized

To the editor:

There are but few times when whole communities join to celebrate collective accomplishment; yet, Thursday-last was just such an evening, where a commencement of students, and matriculation for others, occurred. We were witnesses. For some, it is the completion of formal education, for others it is a certification of readiness for their next tier of academic explorations. To borrow from Kurt Vonnegut's uncle Alex… *if this isn't beautiful, I don't know what is*.

Last Thursday, the scene set under a clear, blue sky and brilliant golden-hour sun… this was perhaps the multiverse foreshadowing the future that these students will enjoy. It was a night just like this, on June 8, 1972, when two-hundred-and-some fellow classmates and I were launched from Allegan into the world from this very same place, under an equally blue and brilliant sky. This year's combined choirs reminded us of *Home*.

I was delighted to see our school system respect the process by honoring the Oxfordian tradition of Students, Bachelors, Masters, Specialists, and Doctors—all in delightful, colored, academic regalia. And here is why I am delighted: the tradition helps make the ceremony important. It demonstrates certification. It demonstrates the continuum of the process. It elicits a subtle thank- you. As a family behind me opined, I *want one of those outfits*!

There is just one other thing that I was hoping to see, but didn't—perhaps it was an oversight. There were neither elementary, nor middle school educators represented in the procession of scholars. Valediction gave no nod to their contribution. Nine years forgotten.

Those nine years represent the initiation of the process that we gathered to celebrate. When the *tabula rasa* of early childhood is launched into numeracy, and literacy. It is the process where Dick and Jane become Elizabeth Bennet and Fitzwilliam Darcy; where {0, 1, 1, 2, 3, 5} become Fibonacci.

I write in respect for second grade…

Michael Kiella, PhD
-Allegan

Obituaries

Sharon Lavon (Baux) Moreno

Sharon Lavon (Baux) Moreno, beloved mother, daughter, sister and friend passed away December 29th 2025, after a brief illness. She was 69.

Sharon was born October 11, 1956 in Kalamazoo, MI to Daniel and Lila Baux. She spent the majority of her life in West Michigan. It was there she raised her three children, John, Suzanne and Stevie and welcomed her three step-children into her family. She was a spitfire who modeled the way for her kids, instilling a good work ethic and ensuring they

knew the value of a dollar. She later moved to the South Florida area. Sharon spent more than two decades there, some of her most rewarding years. There she embraced a coastal lifestyle and love for the ocean. You could find her taking quiet strolls on the beach collecting the best sea shells or on her porch sipping coffee and listening to the birds. Above everything, she loved being present for her grandchildren, visiting frequently, attending their various activities and finding every way to spoil them. They were her greatest joys.

Sharon was preceded in death by her parents Daniel and Lila. She is survived by her spouse, Edward; children John, Suzanne (Paul), Stevie (Ryan); step-children Edward Jr. (Lindsay), Maria (Markus), Michael (Erin); Siblings Daniel (Liz), Brian (Rhonda), Paula (Kevin); grandchildren Madison, Mya, Nikolas, Kevin, Morgan, Makenna, Liliana and Magnolia, as well as multiple step-grandchildren, nieces, nephews, and cousins. She was deeply loved and will be greatly missed.

Cremation has taken place in accordance with her wishes. A funeral mass will be held at Blessed Sacrament (110 N Cedar St. Allegan, MI) June 13th at 10am, followed by private burial.

Those wishing to share memories or condolences to the family are welcomed to attend a Celebration of life at The Robinson Manor (701 Marshall St. Allegan, MI) June 13th at 12pm.

Willard Lee Jennings

Willard Lee Jennings, a beloved pillar of the Allegan community, passed away peacefully at his home in Allegan, Michigan, on May 31, 2026. Born on November 19, 1933, at home on the same street where he would later depart this life, Willard's journey was marked by devotion, hard work, and unwavering service to others.

A lifelong resident of Allegan, Willard's remarkable commitment to his community was reflected in many aspects of his life. He was the longest-serving member of the Allegan United Methodist Church, a testament to his deep faith and dedication. His service extended beyond his spiritual community as he devoted twenty years to the Allegan Fire Department, embodying courage and readiness to help those in need. Furthermore, Willard contributed significantly as a longtime board member of the Allegan Credit Union. He also cherished his time with the Port-a-bed Camping Group, enjoying friendships and the outdoors.

Willard's career was distinguished by his diligence and loyalty. He retired after years of service at Rockwell International as a shipping clerk and later from Perrigo Co., always bringing a strong work ethic to every role he embraced.

His character shone through in his personal life. Known for the

twinkle in his eye and a charming dimple, Willard led a life devoted to servitudeâ€"whether for his family, community, or church. Beyond his serious commitments, he was a fierce card player, engaging friends and family alike with skill and good spirit.

Willard honored his country as a draftee and soldier in the United States Army, reflecting his sense of duty beyond the local community.

He is survived by his loving wife of 62 years, Judith Jennings, whose partnership was a cornerstone of his life. Their children, James (Deb) Jennings of Allegan, Jeffrey (Lisa) Jennings of Wyoming, Joel (Robin) Jennings of Hamilton, and Julie (Art) Ziemelis of Allegan, carry forward his legacy, as do his grandchildren: Justin, Kim, Brad, Melissa, Madison, Emma, Carson, Allie, Mikus, Elija, Rudis, Noah, and McClane, along with 13 great-grandchildren. They remember him fondly and with pro-found respect.

Willard was preceded in death by his granddaughter, Jordan Bishop, and his sisters, Rosie Jennings and Rachal Wait, who remain dearly remembered in the hearts of the family.

Willard Jennings' life was one of steadfast dedicationâ€"to family, faith, and community. His legacy endures, not only through the institutions and friendships he nurtured but most importantly through the love and memories held by those who knew him. He will be deeply missed and forever revered.

A Celebration of Life will be held at Allegan United Methodist Church on June 12, 2026 at 1:00. A visitation will be held from 12:00-1:00 before the service with a reception following the service.

Memorial contributions may be made to Wings of Hope Hospice or the Allegan United Methodist Trustee Fund.

Frog Prince arrives in Plainwell, auditions are June 15th

By Gari Voss

The Plainwell Arts Council is excited to present the Missoula Children's Theatre production of "The Frog Prince". Otsego and Plainwell students in 1st through 12th Grade are invited to a group audition on Monday, June 15, 2026, beginning at 9:50am at the Allegan High School Performing Arts Center.

Audition registration forms are available at Ransome District Library or on the Plainwell Arts Council Facebook page and must be returned by June 12th. During auditions, students will be selected for roles, and rehearsals for the production will continue each day that week from 10am to 2:30pm. Lunch will be available in the high school cafeteria for free.

The production will be June 20, 2026, at 7pm in the Plainwell Performing Arts Center. Tickets are $10 for general admission. Pre-sale tickets may be purchased for $9 at Passiflora in downtown Plainwell.

"These are amazing productions," explained Cathy Green, Arts Council representative. "The Missoula Children's Theatre comes on Sunday with their Little Red Truck full of scenery, props, and costumes. Their two directors and production team audition the children and run rehearsals. Amazing things happen in one week when this production is pulled together culminating in a phenomenal production."

The Plainwell Arts Council is grateful to Charles and Betsy Hill, whose donor advised fund with the Allegan County Community Foundation (ACCF) assists in making these productions possible.

Before COVID, the Plainwell was a regular stop for these summer productions. The Arts Council is just getting its momentum back. The Missoula Children's Theatre is the nation's largest touring children's theatre and has been touring extensively for more than 50 years now from Montana to Japan. This year they will visit nearly 1,000 communities with up to 44 teams of Tour Actor/Directors. A tour team arrives in a given town with a set, lights, costumes, and props, everything it takes to put on a play...except the cast. The team holds an open audition and casts 50-60 local students to perform in the production.

For additional information, email Cathy Green at greensees@icloud.com.

Invasive Garlic Mustard harvested

By Gari Voss

The spring brough rain and invasive plants by the thousands. 150 pounds of Garlic Mustard was pulled, bagged, & disposed of at the Armintrout-Milbocker Nature Preserve. A huge thank you goes to the Allegan Conservation District, the Outdoor Discovery Center Network, and a dedicated group of volunteers for removing an incredible 150 pounds of garlic mustard from Southwest Michigan Land Conservancy's Armintrout-Milbocker Nature Preserve. Then another 55 pounds were harvested by six volunteers at Silver Creek Park.

Garlic mustard is one of the most harmful invasive plants in Michigan woodlands. It spreads rapidly, crowds out native wildflowers, and releases chemicals into the soil that make it harder for other plants to grow. By removing it before it sets seed, volunteers help protect the rich diversity of native plants that wildlife depend on.

The Garlic Mustard harvesters at the Armintrout-Milbocker Nature Preserve in Allegan pulled 150 pounds of invasive weeds in just a couple hours! Pictured from right to left: Ari Henson-ACD Restoration Coordinator, unknown volunteer, Rosie Hunter, Nathan Hilbrands-ACD Watershed Technician, unknown volunteer, Dave Brown- Stewardship and Fire Manager for Southwest Michigan Land Conservancy (SWMLC). Other volunteers assisted but left before the photo. Photo courtesy of the Allegan Conservation District

The Allegan Conservation and Outdoor Discovery Center Network staff thank everyone for their hard work. A major dent was made in the garlic mustard population at these preserves.

Abdul El Sayed speaks at Allegan Tech Center on Thursday

The Primary Elections will be held on August 4, 2026. Candidates are making their rounds across Michigan. On Thursday, June 11, 2026, at 6pm, Abdul El Sayed, candidate for the U.S. Senate, will be the guest speaker at the Allegan Tech Center, 2891 116th St. He has a short presentation and then will be taking questions from the audience. This is open to the public.

He is running for the U.S. Senate because he believes life in America shouldn't be this hard. His "AAA Plan" focuses on eliminating cost-sharing for Medicare beneficiaries, lifting the Social Security payroll tax cap, and providing a federal framework for state-level property tax freezes. .

El-Sayed, is running in the three-way Democratic primary between State Sen. Mallory McMorrow of Royal Oak and U.S. Rep. Haley Stevens of Birmingham for U.S. Senator.

Peek at the Past

From the pages of The Allegan News and The Allegan County News and Gazette:

June 14, 1951

Floyd Harter marks 30th year with fire department: One of Allegan's best-liked public servants marked his 30th anniversary at his job with fanfare last Saturday.

It was on June 8, 1921, that Floyd Harter first went to work for the Allegan fire department. Now, he's still going strong.

Harter's joining the department marked its transition from horse-drawn to motorized equipment. He recalls that he was approached about the job by Charles Schellas, then a member of the village board. A "Nash Quad" truck was on order and the board needed someone to drive it.

BEFORE HARTER came, Bill Barham was driver for the department. For three months, Harter continued with horses in a small Ford truck. Then the big day came. The new truck, made especially for fire fighting, came equipped with hose reels and a 40-gallon chemical tank, but no pump. The day the truck arrived there was an alarm. The Koviok home on North street was afire. Harter recalls that the house, not far from the railroad track, caught fire on an average of three times a summer. Sparks from locomotive engines were blamed.

IN FACT the same house caught fire on the day they received its first really heavy equipment. It was a Reo pumper and, in 1924, it was put to immediate use at the Kovioks when it was delivered here.

June 10, 1976

Tiger netmen end best season yet: Five Allegan players participated in the state tennis tournament and the team finished sixth with two points in the meet in Kalamazoo Saturday.

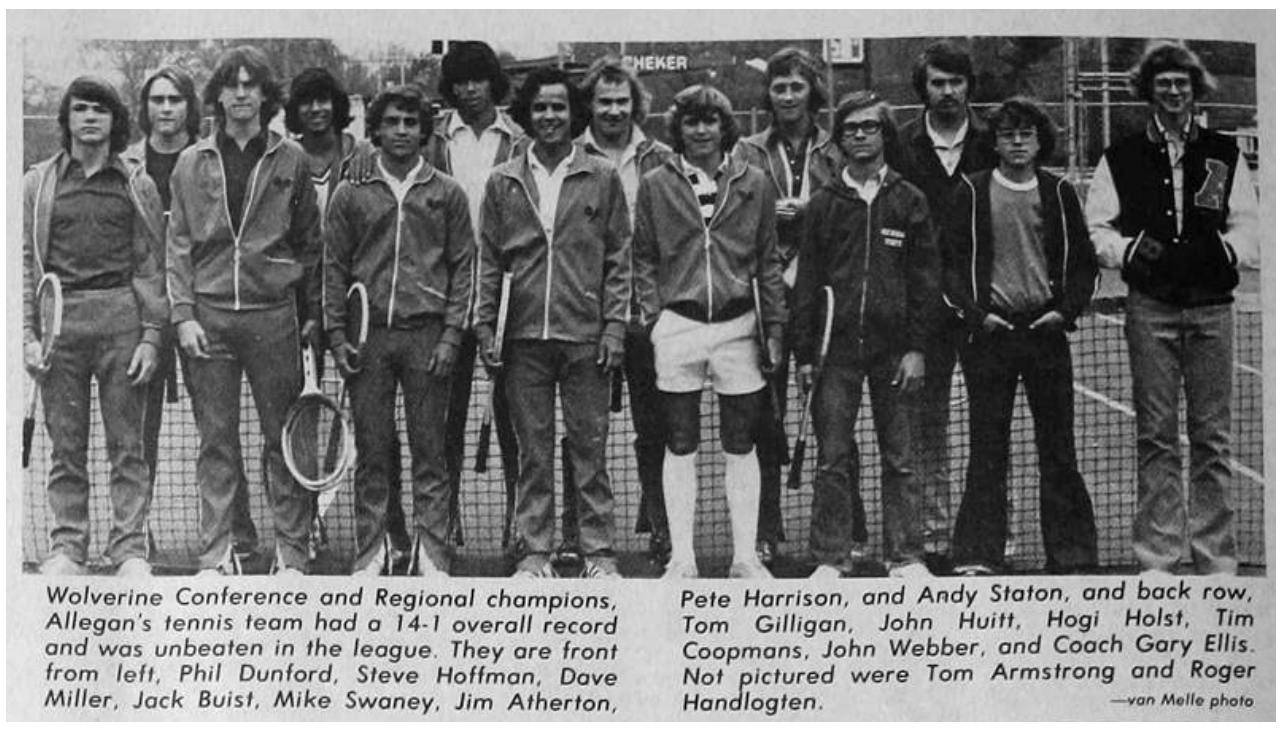
JACK BUIST and John Webber scored a pair of wins, defeating Coenen and Nye of Hastings 6-2, 6-3 and Ferguson and Harper of Fenton 6-3, 6-1, before losing in the quarter-finals to Murray and Ficarro of Detroit Austin 6-2, 6-2.

Coach Gary Ellis said, "It was fitting that Jack (Buist) and John (Webber) ended their careers as Allegan playing on the front courts at Stowe Stadium - home of the Nationals."

Allegan's other qualifying doubles duo, Hogi Holst and Tim Coopmans, lost in the first round to a steady tandem from Manistee, Solberg and Hahn, 6-3, 6-4.

Mike Swaney, the Tigers' lone singles representative, lost 6-4, 6-0 to Bill Wood, South Haven's number one singles player during the season.

THE TEAM HAD several successes and several firsts during the season. They gained their first ever over Three Rivers and their initial Wolverine Conference Championship, qualified five for the state meet, and grabbed their second successive regional title.



Wolverine Conference and Regional champions, Allegan's tennis team had a 14-1 overall record and was unbeaten in the league. They are front from left, Phil Dunford, Steve Hoffman, Dave Miller, Jack Buist, Mike Swaney, Jim Atherton, Pete Harrison, and Andy Staton, and back row, Tom Gilligan, John Huitt, Hogi Holst, Tim Coopmans, John Webber, and Coach Gary Ellis. Not pictured were Tom Armstrong and Roger Handlogten. —van Melle photo

June 14, 2001

Friends begin adult day care begun to help people: Lona Sliter of Fennville, Brenda Wesseling of Allegan and Pam Bauer of Paw Paw have spent many years caring for adults in nursing homes and other settings. Often their jobs at nursing homes have been rushed and only offered time to meet the immediate, minimum physical needs of individuals. This proved to be discouraging, and each woman was feeling the threat of burnout.

The three friends have considered going into business together for some time. They even toyed with the idea of a restaurant. But after much soul searching, they determined their hearts were with helping people. After assessing the positive and negative experiences in their roles as caregivers, the three women decided to start the Sunrise Adult Day Services.

They have had the idea for seven years, but serious preparation began in late 2000. They conducted research in Van Buren and Kalamazoo counties, visiting other adult day care facilities. The Small Business Association at Kalamazoo College assisted them in developing a business plan.

This sort of business would be more of a social and fun-focused venture and would fill in the gap for many families who before didn't have another alternative. As the women put in their brochure for Sunrise, "Adult Day Services assists its participants to remain in the community, enabling families and other care-givers to continue caring at home for a family member who can no longer live independently."

Anna Wenzel of Allegan plays kickball with the staff of Sunrise Adult Day Services. (Photo by Ramona Leiter)

June 17, 2021

Yvonne Pardee's quick response saves woman: On June 10, 2021, the Wayland Police Department announced that Yvonne Pardee of Wayland "saved a life and came to the rescue of a lady in need at the Wayland United Church."

This was already an extremely emotional day for Yvonne's husband Andrew's family since this luncheon followed the burial of Andrew's grandmother Lois Edwards, who had died unexpectedly.

Ms. Pardee shared, "Grandma had worked for the schools for 30 years, everyone knew her, and about 200 people turned out for the funeral. People were coming in to get food and some were already eating. I was sitting with my mother-in-law and friends when we noticed that the lady at the next table was shaking."

At first, Yvonne and her mother-in-law thought the elderly woman was having a seizure, then Yvonne jumped up when she realized that the woman was choking. The husband was asking his wife Sandra, "Are you alright, dear?"

The woman was not alright. "First, I tapped the woman on the back several times, but there was no change. I performed the Heimlich as the woman sat in her chair. It took 4 or 5 tries before whatever got caught was dislodged. Then, she released more."

"We waited, but I was not sure if she was back to her normal self so I called 911. They took over from there," Yvonne explained.

Pardee works for Education Station, so she renews her First Aid/CPR certification every two years. Her response to the accolades was, "I hate all the attention but I guess it is a good reminder for everyone to update their first aid/CPR certification.

Allegan Retail Market Analysis guides DDA

By Gari Voss

A Retail Market Analysis can take a city from where they are to where they want to be in terms of meeting the needs and wants of their community and all who visit. The last time the Gibbs Planning Group did a retail market analysis for Downtown Allegan was 2019. That was before COVID and Streetscape Phase I. Bob Gibbs arrived on Saturday, May 30, 2026, and was able to get a feel for the city by playing tourist, stopping into shops and even becoming familiar with the Allegan Antique Fair. Then he got down to business on Monday, June 1st and Tuesday, June 2nd to visit businesses, introduce himself and begin the process.

On Tuesday, June 2, 2026, Gibbs gathered more than 30 downtown business owners and other interested parties together at City Hall to share information on best practices and what he had learned about Allegan. Following the meeting, ten businesses signed up for individual one-on-one sessions, so Gibbs continued to visit businesses and assist with specifics.

To set the stage, Gibbs shared that since in 2019, Allegan has begun to grow as a "classic" American town. He was impressed by the infrastructure of the architecture, parks and the waterfront that are not often seen in a town this size. An example is the waterfront that once held 200 parking places is now a park. He was impressed by the enthusiasm of current store owners.

In 2018, Allegan had a market demand for about 35 stores and restaurants that used about 77,000 Sq. Ft. while in 2026, many new stores had opened or expanded so there is currently a demand for about 20 stores and restaurants utilizing 42,000 sq. ft. Again, that could be a new store or an existing store expanding to grab the market share.

What he found was that retail sales are high enough to support new businesses. That is a capacity of 200,000 sq. ft. for new or expanded businesses. Gibbs felt that the Streetscape improvements are extraordinary. And currently, downtown could support an additional 42,000 sq. ft. Statistically, he believed that would be about 15 more retail stores and 5 more restaurants or food/beverage businesses.

By breaking this down, Gibbs was able to articulate what the new stores might look like. Considering that Allegan is surrounded by agriculture, this defined the trade area. Statistically, about 60% of sales are by people living within a radius of about a 10-20 minute drive. Within that radium, there are not many stores.

Last year, people living within the radium spent about $350M on retail. Conservative, Gibbs felt that the Allegan stores could capture about $12M more of these purchases. Within a 10-minute drive, there are 12,000 people with about an $80,000 average income. But many of these people earn a modest $50,000-60,000 a year while the others make $90,000 to $100,000. There are very few who earn in the middle.

When looking at a 15 minute drive from downtown, there is a population of 35,000 with an average income of $90,000. That is significant because new store owners want to see 25,000-30,000 people. Therefore, statistically, there is room for more businesses to open.

Within the trade area, there are about 17,000 workers, and these workers spent about $50M on shopping and dining. but most of these workers shop out of the area. That means 120 businesses in Allegan must find new ways to attract workers to shop before they leave the area.

Downtown has restored many of the buildings, and most to a very high standard level thanks to state grants and city assistance.

When Gibbs Group interviewed people living on the fringes of the retail area, residents voiced that they just did not know about Allegan and what it has to offer. These are people with solid home values, and they are interested in knowing more about Allegan.

Taking a deeper dive, Gibbs felt that statistically, new retail demand could include:

- An outfitter that sells outdoor equipment and apparel,
- 1 - 2 home furnishing stores
- 2 – 3 Apparel, jewelry, or shoe stores
- Hobbies and toys store
- 2 more supermarkets & foods establishments
- 1 full service restaurant, 3 casual service or a pub, a bakery or deli
- The 42,000 sf total could meet the demand

A suggestion to meet demand would be to speak with larger businesses to open satellite stores. Examples would be Great Harvest Bread Co. and one of the sporting goods stores. The "mother" stores have the experience while the local people have the knowledge. The at stores would be about 20% more sq ft than what Allegan has now.

Best practices in store planning and design.

Gibbs had asked store owners to consider the customers coming to their store and what the customers are asking for. That got a participant thinking about her customers coming for yoga might also want a health food store or juice bar or a Gazelle sports.

"The thought is amazing," she voiced. "Thank you for letting me think outside the box."

Gibbs shared, "Since six years ago, Allegan has changed. It is no longer purpose driven where a person from outside the retail area comes to Allegan for one purpose then returns home. The town is at a "tipping point" where people say let's go to Allegan, get out of the car and walk around. Maybe I am here for the jewelry, but while I am there, I will go to 4 or 5 other stores. That's a big dynamic, and I think there is the opportunity for a greater turn around."

Looking at possibilities, thousands of former restaurant workers lost their jobs during Covid so they are looking to open a new store, new deli, or a new bakery. They would come to Allegan where there is a strong market. It is underserved and rents are low. Reaching this population would be a chance for new stores.

Retailing has changed. The family used to look like several kids with parents. Families would shop at Sears or go to the mall for several hours, then come home for dinner. Today, there are many single parents who hate shopping with kids. 60% of families today are single mothers. Shopping is a choir that must be done. Families are cutting back on their budgets because there is no growth in wages.

Gibbs shared that 50% of Americans go to Walmart every week. Some think of it as an upscale store. Young 20 year old mothers like shopping at dollar stores because they don't have to dress up. Millennials don't like to shop. They don't want to waste money on new clothes so they will purchase used jeans. They would rather spend their money on travel, sports, coffee and having fun. They spend their time hanging out in coffee shops, taking a table and using the internet for free. They are not very sensitive. They will go to a store, find an item they like, and in front of the salesperson, order from Amazon online. They are addicted to ordering online but will come to small towns.

The job of retailing is to get people to purchase things they do not need. The big winners since Covid have been small resort towns. Places to go and be outside. Allegan has the market potential, but the city is not known.

Retailers are leaving the malls because they are struggling. They now have vanity sizing, which is changing the tags in clothes to indicate a smaller size than it was originally. Barnes and Nobels is opening one store a week. Ann Taylor is opening 300 stores over the next 3 years. People are dressing nicer with pants, shirts, dresses, etc.

There are tricks to consider. The 8 second rule means a person has 8 seconds to walk past the store front. As a retailer, you have 2 seconds to get their attention. Allegan stores have too many things in the window. A person walking past will gaze for only 2 seconds. Allegan needs more appealing front windows and doors.

Another trick is making the back wall a bright color. More profitable merchandise is placed in the center displays. Many stores are a warm white, so the merchandise looks like it is online. But painting one wall can make a difference. The stores are designed to move the vision to the back wall.

Many retailers want to be in a walkable town, and Allegan is. This gives Allegan an advantage to seek out some of the businesses that are leaving the malls.

The exterior face of a store needs to be addressed. All glass surfaces (doors/windows) need to be washed numerous times each day. Dark glossy finishes with white trims increase appeal. All stores must have a distinctive Sign Band (large name) with letter at least 14 inches high.

Gibbs shared that he went by many stores downtown but couldn't find the name. "Some of you are invisible or the sign has too many words and loses the 2-second reading. Add greenery and flowers in boxes that will attract perspective customers."

Customers want a non-chain look that people fall in love with. Gibbs called it giving a store the X-Factor and that gave it a special feel. Any outside display must be done tastefully and to city code. That includes signage.

Most city's make 40% of their profits between Thanksgiving and Christmas. Some collect thousands of dollars from their parking meters. The money goes to the DDA then businesses decide how to spend it. Civic art is displayed. Parking is important.

In Allegan, non-shoppers are parking in front of stores. Though metered spaces will generate money, Allegan does not need meters at this time. If it goes to meters, put them in front of the stores then have free parking a block or so away. Use coin meters rather than a kiosk.

Small business owners can't shut down to make improvements. Suggestions: 1. Paint the front door. 2. Paint one inside wall a soft color. 3. Get rid of the clutter – reduce inventory by 10-15%. 4. Improve the signage.

Market the City

How to market the city? If well advertised, Allegan could come out of hiding.

On holidays, people are coming, but all of the businesses are closed. When open, visitors shop. About 70% of sales occur after 7pm, but it is difficult for small business owners to stay open at night, but franchise stores are open 7 days a week from 10am-6pm each day. So, Allegan needs to determine days and times to be open to capture the business.

Some areas might want to find a catchy name. Example: "The Brady Bunch" for the shops on Brady Street. Using solid tricks could bring more visitors and revenue.

Take Aways

Gibbs gave several straightforward suggestions for improving the curb appeal of the stores along Allegan's downtown streets – clean windows, brighten the doors, add flowers and greenery, and install storefront signage.

When asked about take aways from the presentation and time with Bob Gibbs, Assistant City Manager, and the person focusing on Downtown, Parker Johnson shared, "We have already seen the immediate impact of businesses cleaning their front windows and awnings and planting flowers in flower boxes along the sidewalk. We look forward to continued changes based on the feedback received by Gibbs."

The Retail Analysis was reviewed and adopted by the City Council at the June 8, 2026, meeting. "Once adopted, the analysis will be posted to cityofallegan.org and included in the 2026-2030 Downtown Allegan Master Plan," explained Johnson. "Hopefully, this will instill confidence in future businesses to open in Downtown Allegan."

A Retail Analysis can be extremely vital to a community when creating strategic plans. "We are grateful to the Michigan Economic Development Corporation (MEDC) for their support through their technical assistance funding to pay for 75% of this project." Added Johnson.

Lawsuit ■ *from Page A1*

been selectively and retaliatorily enforced against the Steinebachs while similarly situated properties have not been cited, and that the Township has engaged in a pattern of misconduct including violations of the Open Meetings Act and the Freedom of Information Act. The complaint also raises constitutional claims under the First and Fourteenth Amendments, including First Amendment retaliation and equal protection violations under a "class of one" theory.

The Summons and Complaint are scheduled to be served on Leighton Township today, June 4, 2026. A Motion for Preliminary Injunction is currently pending before the Honorable Mathew Antkoviak.

In addition, the Steinebachs have prepared a **federal complaint** that is expected to be filed in the near future.

"This is about fundamental property rights and fair treatment under the law," said Jason Steinebach. "We were singled out for enforcement while others were not, and we were cut off from any meaningful communication with Township officials when we tried to resolve the issues."

The Steinebachs are representing themselves in the state court action and are preparing to move forward with both the state and anticipated federal claims.

Summerfest ■ *from Page A1*

p.m. Additional attractions include a bubble artist and a dunk tank.

Live entertainment will be featured throughout the day on Main Street. Jake Stevens will perform from 2 to 4 p.m., followed by Silent Bark from 5 to 7 p.m. Headlining the evening will be Sushi Roll, performing from 8 to 11 p.m.

Competitive events are also planned, including a cornhole tournament beginning at 1 p.m.

Visitors will find dozens of vendors and community organizations participating in the event. Among those scheduled to attend are local artisans, crafters, specialty food vendors, nonprofit organizations, and businesses from throughout the Wayland area. Participating vendors include Hubbert's Kettle Corn, The Daily Dough LLC, Lavender Links Permanent Jewelry, Community Action of Allegan County, BIGGBY Coffee, Grain & Simple Specialty Bakery, Pennington Acres, and many others.

Local restaurants will also be participating with food and drink specials throughout the day. Organizers note that downtown Wayland's Social District will allow visitors to purchase beverages from participating establishments and enjoy them while walking through festival activities. Participating businesses include Don Pocho Mexican Grill & Bar, McDuff's Bar & Grille, Wayland Hotel & Bar, OpenRoad Brewery, and Acqua In Vino.

Summerfest runs from 1 to 11 p.m. Saturday, June 13, in downtown Wayland, though several events begin earlier in the morning. Organizers encourage residents and visitors to spend the day exploring downtown, supporting local businesses, and enjoying one of Wayland's largest annual community celebrations.

Loss in regional finals ends historic season for 'Blazers

By Jason Wesseldyk
Sports Editor

FENNVILLE—A season that began with questions ended with the deepest postseason run in program history.

Saugatuck's memorable campaign came to a close Thursday with a 6-0 loss to seventh-ranked Kalamazoo Christian in a Division 4 regional final.

While the Trailblazers fell short of advancing further, they also became the first soccer team in school history — boys or girls — to win a regional game and reach a regional final.

For a team that entered the season with a first-year coach, a new goalkeeper and plenty of questions, the postseason run exceeded nearly everyone's expectations.

"I don't think anybody saw us doing what we did," Saugatuck coach Neal Phillips said. "With me stepping in as a new coach and us losing a keeper that was seen as the best goalkeeper in the whole conference, I don't think anybody expected this. That's what's so special. It was kind of a surprise."

Kalamazoo Christian showed why it entered the match ranked among the best teams in Division 4.

The Comets scored three goals in the opening half—the third of which came with 35 seconds left in the half—to build a 3-0 lead.

Despite the deficit, Saugatuck continued to battle. The Trailblazers kept Kalamazoo Christian off the scoreboard for more than 25 minutes in the second half before the Comets added three late goals to pull away.

Phillips felt momentum played a major role in the outcome.

"I think momentum was huge in this game," he said. "I think the fact that we were kind of punching up a little bit, we needed to be the one that made impacts first. When we lost that opportunity, I think it kind of put us in a corner.

"You try to adjust, you try to fight, but I think against a team like that, you have to score first and make the first move."

The Trailblazers finished the season with a 13-7 record, a district championship, the program's first regional victory and the deepest postseason run in school history.

For senior standout Neave Rewa, the accomplishments were about much more than wins and losses.

"It means way more than I can put into words," Rewa said. "From the beginning of the season, from the first practice and the first game to where we are now, accomplishing more than we have in all my four years, let alone all of history, it's just amazing.

"I'm so proud of everyone and how they kept pushing through the season and kept showing up for each other. We finished super strong and really added to the legacy of Saugatuck soccer."

Rewa also pointed to the support that exists throughout the Saugatuck community as a driving force behind the success enjoyed by several Trailblazer programs this year.

"I think we have a really special community at Saugatuck," she said. "Everyone shows up for each other and everyone is always there rooting each other on. It's been awesome to see everyone grow over the past four years and all of our programs grow as well."

The season marked the final chapter for a senior class that helped elevate the program to unprecedented heights.

That class included Rewa, Jordan Sanders, Audrey Rodewald, Julia Lowery, Ellery Panepento, Estelle McParlan, Danica Longoria, Avery Smith, Kielee Sisson and Kailee Sisson.

As Phillips reflected on the season, the results were only part of what stood out.

"I'm going to remember how far we've come," he said. "The beginning of the season was so wild. We were up and down just trying to find our identity, but they stuck with it. They had a lot of grit.

"More than anything, they supported each other so well. It's so easy to have infighting and people getting upset with each other, but they never did. No matter what happened, they kept showing up for each other. I'm just really proud of that."

Otsego drops pitchers' dual in D2 regional semifinals

By Jason Wesseldyk
Sports Editor

COLDWATER—Otsego senior Kaleb Hildebrand turned in arguably the best pitching performance of his career in arguably the biggest game of his career.

Unfortunately for the Bulldogs, Coldwater starter Owen Tappenden was just a little bit better.

Despite a complete-game effort from Hildebrand—who scattered five hits and allowed one run with two walks and eight strikeouts—Otsego dropped a 1-0 decision to Coldwater in a Division 2 regional semifinal Wednesday, June 3.

The loss ended the Bulldogs' season one game after they captured a district championship.

Just four days earlier, Hildebrand tossed a complete game and allowed only one run in Otsego's district championship victory over Plainwell, a performance coach Matt Eldred described as one of the best outings of the senior's career.

Against Coldwater, Hildebrand may have been even better.

The senior threw all seven innings on 99 pitches, including 64 strikes, consistently working ahead in counts.

Senior Kaleb Hildebrand allowed just one run in a complete-game against Coldwater. (Photo by Jason Wesseldyk)

"Kaleb pretty much put us on his shoulders in the district final and the regional game," Eldred said. "In the 14 innings, he had 14 strikeouts, two walks and two earned runs. Just incredible command of his arsenal in these last two games."

Eldred said Hildebrand's success went beyond the numbers.

"(He's a) super intense kid, especially when he is on the mound," Eldred said. "I felt my main purpose was just trying to help keep him centered."

Eldred also credited catcher Nolan Whitmore for helping guide the Bulldogs through the postseason.

"(Hildebrand) and Nolan Whitmore called their own game," Eldred said. "Those two really worked well together."

Tappenden matched Hildebrand pitch for pitch for much of the afternoon. The Coldwater right-hander retired the first 11 batters he faced before Jaxon Ray broke up the perfect-game bid with a two-out single in the bottom of the fourth inning.

Ray stole second to move into scoring position, but a groundout ended the threat.

Coldwater scored the game's lone run in the top of the fourth.

After a leadoff double, Hildebrand recorded a strikeout before a single put runners on the corners. A fielder's choice later in the inning brought home the run.

Otsego continued to battle offensively despite Tappenden's dominance.

The Bulldogs put another runner aboard in the fifth when Merrill Bailey was hit by a pitch, while Landon Wrobleski drew a leadoff walk in the sixth. Coldwater erased both opportunities with pickoffs.

Otsego's final chance came in the seventh.

With one out, Ray singled for his second hit of the game against reliever Dayton Ennis, who entered after Tappenden reached his pitch limit. The hit brought the potential tying run aboard, but Ennis struck out the final two batters to end the game.

"This game was just a good old-fashioned pitcher's duel," Eldred said. "Two guys with great stuff commanding it and pitching with incredible confidence.

"We made some mistakes that you cannot make in a game like that. But I'm incredibly proud of the way our kids competed to the very end."

The defeat closed the curtain on a memorable season for the Bulldogs.

Otsego did not pick up its first victory until April 23, but the Bulldogs continued to improve throughout the spring before ultimately capturing a district championship and advancing to the regional semifinals.

The season also carried special meaning for Eldred and his family.

Prior to Otsego's first win, the Bulldogs wore hats embroidered with the name of Eldred's daughter, Abby, who passed away during the offseason.

After that victory, the players placed their hats on the mound.

"I think it was to recognize Abby, and I took it also as a wonderful gesture of love for me and my family," Eldred said.

Looking back, Eldred said the Bulldogs never allowed a difficult start to define their season.

"Clearly, the easy path for our kids would have been to lounge around in our mediocrity," he said. "They made a choice, instead, to continue to grind and work so that they would be in the best position possible to have something fun happen at the end of the season."

Eldred also credited captains Brennan Brinkhuis, Brennan Perry and Landon Wrobleski for helping keep the team moving in the right direction throughout the season.

"The 2026 Bulldog baseball team certainly left a legacy that we are all proud of," he said.

B&C Trophy and Apparel, Inc. ATHLETE of the WEEK

Haylen Buell
Martin
Baseball

The Martin baseball team put together its finest season in two decades. Not only did the Clippers win the program's first divisional title since 2006, but they also claimed a Division 4 district title.

And Martin gave fourth-ranked Hackett Catholic a scare in the regional semis, falling 4-3. Senior Haylen Buell was a big reason for that, pitching 6.1 innings and holding the Irish scoreless after the first inning.

Trailblazers fall to K-Christian in D3 regional semis

By Jason Wesseldyk
Sports Editor

KALAMAZOO—The postseason run for the Saugatuck baseball team came to an end Wednesday, June 4, but not before the Trailblazers took another significant step forward as a program.

After capturing their first district championship since 2016, Saugatuck saw its season conclude with a 9-2 loss to Kalamazoo Christian in a Division 3 regional semifinal.

While the result wasn't what the Trailblazers hoped for, first-year Saugatuck coach Jaden Grigg said the experience reinforced what the program is capable of becoming.

"I feel as if we came out a little tight to start the game," Grigg said. "(Starting pitcher Holden Burd's) command was a little shaky to begin the game. Defensively, we made a few mistakes as well, but credit to Kalamazoo Christian, they took advantage of the mistakes we made."

Saugatuck's Jack Drummond slides safely into third base during the Trailblazers' regional loss to Kalamazoo Christian. (Photo by Jason Wesseldyk)

The Comets took advantage of those early opportunities, scoring three runs in the bottom of the first inning and putting Saugatuck in an immediate hole.

But rather than allowing the game to get away from them, the Trailblazers settled in.

Burd recovered from the rocky opening inning and kept Saugatuck within striking distance for much of the afternoon. The junior allowed five hits and seven runs—only three earned—over five innings while striking out five and walking four.

"Holden settled in on the mound, and the rest of the team settled down well defensively after the first," Grigg said. "We failed to take advantage on the offensive side, however, and weren't able to cut into the lead."

Burd's effort kept the Trailblazers within reach until Kalamazoo Christian broke the game open with four runs in the fifth inning to extend its lead to 7-0.

Saugatuck's runs came in the bottom of the sixth inning.

Jack Drummond reached base with a single before Braison Jones launched a two-run home run over the right-field fence, trimming the deficit to 7-2.

"The two-run home run was nice," Grigg said. "Braison has had his share of home runs this year."

The momentum, however, proved short-lived.

Kalamazoo Christian answered with two runs in the top seventh inning and Saugatuck was unable to mount another rally.

Jones finished with two hits and two RBIs, while Drummond, Burd and Soren Peterson each added a hit. Drummond, Burd, Peterson and Coltan Knicklebine each stole a base.

The regional appearance was Saugatuck's first since 2016, when current Cincinnati Reds outfielder Blake Dunn helped lead the Trailblazers to a district championship. Dunn's success has remained a source of inspiration for current players, and this year's team added its own chapter to the program's history by ending the district title drought.

More importantly, the Trailblazers appear well-positioned to build on that success.

Saugatuck graduates just two seniors from this year's roster and is expected to return the bulk of its lineup and pitching staff next season.

"We're only graduating two," Grigg said. "We expect to return everyone else, including one-through-seven in the batting order and four pitchers with double-digit innings pitched."

With a SAC division title, a district championship and a regional appearance already on the résumé, Grigg believes the standard has been raised.

"Now that we have the experience playing in these types of games, the goal should be to advance further into the postseason," he said.

For Grigg, the season's accomplishments extended beyond wins and championships.

"Overall, I am proud of the guys and the time and effort they put into this season," he said. "I appreciate the seniors and the four years they put into this program, and for establishing a foundation that we can build off in the coming years."

That foundation helped produce one of the most successful seasons in recent program history. Next season, the Trailblazers hope to continue building on it.

Wayland baseball succumbs in D2 regional finals

By Jason Wesseldyk
Sports Editor

STEVENSVILLE—The final game didn't end the way the Wayland baseball team hoped.

That did little to diminish what was one of the most successful seasons in program history.

The Wildcats saw their season come to an end with a 7-2 loss to Coldwater in a Division 2 regional final Saturday, June 7, finishing with a 26-8 record that included an OK Gold Conference championship, a district title and a trip to the regional finals.

Wayland reached the regional championship game by defeating Charlotte 5-0 in a regional semifinal on Wednesday, June 3.

As had been the case throughout the season, pitching led the way.

"Folks asking me what this team's strengths were at the beginning of the season were told one word, pitching," Wayland coach Drew Lakatos said. "We have a deep staff that attacks both hitters and the strike zone. We preach throwing strikes and having opposing teams earn base runners."

Easton Williams and Hoyt Borgic combined to limit Charlotte to two hits and four base runners in the semifinal victory.

Lakatos said the Wildcats' pitching depth was a key factor throughout the season.

"Many teams have an ace, but we are fortunate to have five guys that can fill that role," Lakatos said, referencing Williams, Borgic, Will Lodenstein, Trent Moore and Gavin Mulder."

The victory over Charlotte continued an impressive postseason run for Wayland. Through its first four tournament games, the Wildcats allowed just two total runs.

Lakatos noted that Williams and Borgic were able to keep their pitch counts low against Charlotte, ensuring they would be available for the regional final against Coldwater.

The Wildcats were unable to carry that momentum into the championship game, however.

Coldwater scored two runs in the first inning, added two more in the sixth and broke the game open with three runs in the seventh.

Wayland scored single runs in the fifth and sixth innings, but couldn't get any closer.

"We did not take advantage of the opportunities to score nor did we put enough defensive pressure on them," Lakatos said. "Coldwater did a solid job of putting the ball in play and were rewarded with a couple of crucial hits that had eyes. Not our day."

Despite the loss, the season marked a major step forward for the program.

The Wildcats captured the OK Gold Conference championship and district title while compiling a 26-8 record.

Even more impressive, Wayland accomplished all of that without a single senior on the roster.

"Overall, it may seem we have a young group, but they are experienced and have played in a number of big games," Lakatos said. "They won't shy away from tough competition or big games."

According to Lakatos, the team's success was built on trust, experience and a genuine love for the game.

"We believe we have a bunch of players that love and respect the game, trust each other to do their jobs and are enjoying this historic ride," he said. "We are thankful to the community for the support and hope we can continue our historic season."

While the regional final loss brought the season to a close, Lakatos believes the foundation is in place for continued success.

"We had a great season winning our conference and the district," he said. "We grew as a team and as individual players and I expect us to hit the ground running next spring. We will be back."

Clippers fall just short against fourth-ranked Hackett

By Jason Wesseldyk
Sports Editor

DECATUR—The Martin baseball team dug itself an early hole against one of the top teams in Division 4.

The Clippers nearly climbed all the way back out.

After surrendering four runs in the top of the first inning, Martin answered with three runs over the next two frames. The Clippers stayed within striking distance the rest of the way before falling 4-3 to fourth-ranked Hackett Catholic Prep in a D4 regional semifinal Wednesday, June 3.

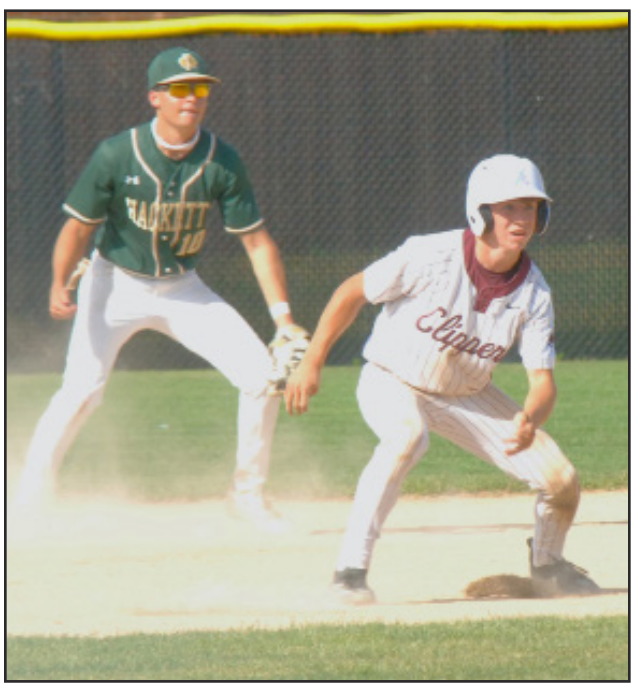
The loss ended a memorable season for the Clippers, who captured SAC Valley Division and district championships while continuing the program's resurgence under coach Brad Blauvelt.

Martin entered the matchup having lost 9-3 to Hackett earlier this season, but the rematch looked nothing like the first meeting.

"Our effort stood out; we played very well," Blauvelt said. "I think it's safe to say we played our best ball at the end of the season knocking off Maple Valley (in the district finals) and giving (Hackett) a run for their money."

Hackett seized control early.

The Irish scored four runs in the top of the first inning, using a hit batter with the bases loaded, a two-run single by Dom Smojver and a steal of home to build a 4-0 advantage.



Martin's Zaiden Buell takes his lead off second base. (Photo by Jason Wesseldyk)

Rather than let the game get away, Martin responded.

The Clippers scored once in the bottom of the first before adding two more runs in the second to cut the deficit to 4-3.

Peyton Schuring-Harris helped fuel the Clippers, driving in two runs with a double. He finished 1-for-2 with two RBIs, while Haylen Buell, Caleb Hopkins, Blake Sweeting and Schuring-Harris each collected a hit.

After the rocky opening inning, Martin received a tremendous effort on the mound from Buell.

The senior entered in relief and kept the Irish off the scoreboard for the final 6 1/3 innings, allowing four hits and two runs while striking out six and walking four.

His performance was made even more impressive by the fact he was not fully healthy entering the game.

"Haylen's performance on the mound stuck out to me," Blauvelt said. "He collided with his brother (freshman catcher Zaiden) in practice on Monday and wasn't 100 percent, yet like he's done time and time again he pitched one of his best games of the season."

The coach said watching Buell compete was one of the highlights of the afternoon.

"During the game I honestly took a few moments to just watch him on the mound and couldn't help but smile," Blauvelt said. "He's been so fun to watch play the game. He plays the game hard and his passion to win is second to none."

Martin had opportunities to pull even.

In the fourth inning, Zaiden Buell reached base and eventually advanced to second with two outs. The Clippers appeared poised to capitalize after Hackett intentionally walked Schuring-Harris, but the inning ended with the tying run thrown out at the plate.

The Clippers threatened again in the sixth when Anderson Keeler drove a deep fly ball to left field, only to see the Hackett outfielder make a running catch.

Martin's final chance came in the seventh.

Schuring-Harris opened the inning by driving a ball to the warning track in center field before it was hauled in for the first out. A subsequent error put the potential tying run aboard, but Hackett turned a game-ending double play to secure the victory.

While the season ended one win shy of the regional final, Blauvelt said the accomplishments of this year's team extended well beyond Wednesday's result.

"I'm just really proud of how far we've come in a few years," he said. "(We were) conference champs, district champs and went down swinging against No. 4 HC. Couldn't ask for much more."

Blauvelt also credited his seniors for helping establish a foundation that he believes will continue to pay dividends in the future.

Martin senior Haylen Buell delivers a pitch against Hackett Catholic in a Division 4 regional semifinal. (Photo by Jason Wesseldyk)

"The seniors really laid the foundation," he said. "They showed all the underclassmen what it takes to win. I am hoping we can start really rolling as a program now."

Saugatuck earns first regional win in program history

By Jason Wesseldyk
Sports Editor

FENNVILLE—The Saugatuck girls soccer team added another chapter to its historic season Tuesday, June 4.

With a 5-1 victory over St. Joseph Michigan Lutheran in a Division 4 regional semifinal, the Trailblazers earned the first regional soccer victory in school history, regardless of gender.

"This was huge for us because we've never won a regional game," Saugatuck coach Neal Phillips said. "That's kind of where our sights were at the beginning of the season. We wanted to see if we could push the record, push the envelope a little bit farther."

The Trailblazers did just that, using a balanced offensive attack and a pivotal late first-half goal to seize control.

Leading 2-1 with time winding down in the opening half, Saugatuck earned a corner kick with less than 10 seconds remaining.

Neave Rewa raced toward the corner to put the ball in play before the halftime horn, even colliding with a teammate in her haste to get there.

She quickly recovered, delivered a dangerous ball into the box and watched as Jordan Sanders found the back of the net with two seconds remaining to give the Trailblazers a 3-1 advantage.

"That was really chaotic," Rewa said. "I could kind of hear everyone counting down. We have a lot of people on our team who are really good at heading and finishing corners, so I knew we had to take advantage of that opportunity. I was just trying to get to the ball as fast as I could and get a quality cross in there."

Karmin Kruithof charges down the field for Saugatuck. (Photo by Jason Wesseldyk)

For Sanders, the play provided a momentum swing that carried into the second half.

"I was getting anxious, getting prepared to get that cross from Neave," Sanders said. "It was stressful. It just went through right to me and I went ahead and scored."

The Trailblazers struck first less than five minutes into the match when Audrey Rodewald scored off a rebound after a corner kick from Rewa glanced off the crossbar.

Michigan Lutheran answered midway through the first half. Katie Dailey converted a rebound after Saugatuck goalkeeper Virginia Cernugel stopped her penalty kick, tying the score at 1-1.

Saugatuck regained the lead with 13:33 remaining in the half when Sanders scored her first goal of the evening. Then came her dramatic goal just before halftime, giving the Trailblazers valuable breathing room heading into the break.

"There is a big difference between going into halftime up one goal and up two goals," Phillips said. "That was really big for us to finish off that goal. That's the second time we've been able to pull that off from a set piece this season."

The Trailblazers continued to apply pressure after halftime.

Rewa scored on a 2-on-1 opportunity before Ryann Monroe added another goal a short time later to push the lead to 5-1.

The offensive explosion came after Saugatuck survived back-to-back shootouts in district play, including a district championship victory over rival Black River just days earlier.

"We all knew what we had to do coming into the game," Rewa said. "It was a big game that we all really wanted to win. We didn't want to go into another shootout, so we were really focused on giving 100 percent and finishing our opportunities.

"It was relieving to be able to take a breath and just play like we know we can."

Phillips was equally pleased with the way contributions came from throughout the lineup.

"Sure, Neave scored, but we didn't lean on her as much tonight," he said. "Everybody played a great part. Our keeper made a save on a penalty kick. I loved seeing everybody doing things. That's what continues to bring us to the next level."

For Sanders, the victory represented more than just another postseason win.

"It means a lot to the team. It really means a lot to me," she said. "Saugatuck soccer is a big deal for a lot of people."

CHESHIRE TOWNSHIP

ALLEGAN COUNTY, MICHIGAN
DUCK LAKE IMPROVEMENT SPECIAL ASSESSMENT DISTRICT

NOTICE OF JUNE 16, 2026 TOWNSHIP BOARD PUBLIC HEARING ON PROPOSED 2026-2030 SPECIAL ASSESSMENT ROLL FOR 2026-2030 SUPPLEMENTAL IMPROVEMENT PROJECT

TO: THE RESIDENTS AND PROPERTY OWNERS OF THE DUCK LAKE IMPROVEMENT SPECIAL ASSESSMENT DISTRICT ENCOMPASSING ALL LOTS/PARCELS ABUTTING DUCK LAKE OR HAVING DEEDED ACCESS TO DUCK LAKE IN LAND SECTION 36 OF CHESHIRE TOWNSHIP, ALLEGAN COUNTY, MICHIGAN; AND ANY OTHER INTERESTED PERSONS:

PLEASE TAKE NOTICE the Supervisor/Assessing Officer of Cheshire Township has reported to the Township Board and filed in the office of the Township Clerk for public examination a proposed special assessment roll/special assessment column in the regular tax roll pertaining to the allocation of the cost and expenses of the 2026-2030 supplemental improvement project within the Duck Lake Improvement Special Assessment District approved by the Township Board May 19, 2026.

A public hearing on any objections to the proposed special assessment roll will be held at the Cheshire Township Hall at 471 41st Street, Allegan, Michigan, in conjunction with a regular meeting of the Township Board on Tuesday, June 16, 2026 commencing at 6:30 p.m.

The proposed 2026-2030 special assessment roll proposes to allocate the cost and expenses of a supplemental lake improvement project, including an extension of the aquatic vegetation management project previously approved for 2024-2028 to now also include 2029-2030, in the approximate total amount of $356,365 (including estimated legal and administrative expenses, and a contingency for cost overruns and other unanticipated expenses) to the various lots and parcels within the existing Duck Lake Improvement Special Assessment District over the five-year project by a total special assessment levy of approximately $89,165 in 2026 and an annual total special assessment levy of approximately $66,800 in each of years 2027-2030. The special assessment levy is proposed to be allocated to the benefitted lots/parcels within the District pursuant to a uniform pro rata benefit unit of 1.0 for each lot/parcel abutting Duck Lake (with all contiguous lands abutting Duck Lake owned by the same record owner and either undeveloped or developed to be treated as a single benefit unit for special assessment purposes), and a uniform pro rata benefit unit of 0.5 for each lot/parcel with deeded access to Duck Lake but not abutting Duck Lake, plus for parcel number 03-270-003-00 (mobile home park abutting Duck Lake, with 32 mobile home sites) an additional special assessment of 0.25 benefit unit per each mobile home site.

Based on the total calculated number of lots/parcels within the District (after eliminating contiguous lands owned by the same record owner) abutting Duck Lake (113 benefit units), the total number of lots/parcels within the District with deeded access to Duck Lake but not abutting Duck Lake (9.5 benefit units), and the additional benefit units allocated to the mobile home park property (8.0 benefit units), the total amount proposed to be specially assessed against each such lot/parcel for 2026-2030 is as follows:

- $2,730.77 for each lot/parcel or portions thereof abutting Duck Lake (with all contiguous lots/parcels in the same ownership specially assessed as 1.0 benefit unit), payable in annual installments of $683.26 levied in 2026, and $511.88 levied in each of years 2027-2030.

- $1,365.39 for each lot/parcel or portions thereof with deeded or other special right of access to Duck Lake pursuant to a dedicated out lot or other private access back lot (with all contiguous lots/parcels in the same ownership specially assessed as 0.5 benefit unit), payable in annual installments of $341.63 levied in 2026, and $255.94 levied in each of years 2027-2030.

- For parcel number 03-270-003-00 (mobile home park abutting Duck Lake, with 32 mobile home sites) an additional special assessment of $21,846.24 (0.25 benefit unit per each of 32 mobile home sites), payable in annual installments of $5,466.08 levied in 2026, and $4,095.04 levied in each of years 2027-2030. Note: the resulting total proposed special assessment on this property, including the base special assessment of 1.0 benefit unit for a lot/parcel abutting Duck Lake is $6,149.34 levied in 2026, and $4,606.92 levied in each of years 2027-2030.

These proposed special assessment amounts are subject to revision by the Township Board at the June 16, 2026 meeting. These proposed special assessment amounts are also subject to revision during the term of the five-year special assessment roll due to property transactions, and are subject to annual redetermination if the actual costs of the yearly project or any administrative costs vary significantly from the estimated costs and contingency on which the proposed special assessment roll is premised. Any such annual redetermination/revised special assessments will be made by the Township Board at its regular meeting in June of any such year, as necessary, without further public hearing or notice except as may be required by law (if a cost increase exceeds the estimate by 10% or more) or as may be further determined by the Township Board; provided that the allocation of individual special assessments resulting from any such annual redetermination/revision shall be based on the same cost allocation method used for the 2026 special assessments. Unpaid special assessments will be subject to interest at a rate to be determined by the Township Board but not exceeding 8.0% per annum.

If the Township Board approves a 2026-2030 special assessment roll for the supplemental project, and that special assessment roll becomes effective, the special assessment for aquatic vegetation control (only) previously approved for levy in 2024-2028 pursuant to the original 2024-2028 project shall be cancelled in 2027 and 2028, as the supplemental improvement project includes aquatic vegetation management in those last two years of the previously approved project and extends such services to include 2029-2030.

The proposed special assessment roll, and the project plans, estimate of costs, the boundaries of the existing Duck Lake Improvement Special Assessment District, and the Resolution of the Township Board directing the Supervisor/Assessing Officer of the Township to make the proposed special assessment roll, may be examined at the office of the Township Clerk and may further be examined at the public hearing.

PLEASE TAKE FURTHER NOTICE THAT APPEARANCE AND PROTEST AT THIS HEARING IS REQUIRED IN ORDER TO APPEAL THE AMOUNT OF A SPECIAL ASSESSMENT TO THE STATE TAX TRIBUNAL. AN OWNER OR PARTY IN INTEREST OR HIS OR HER AGENT MAY APPEAR IN PERSON AT THIS HEARING TO PROTEST A SPECIAL ASSESSMENT, OR MAY FILE AN APPEARANCE OR PROTEST BY LETTER WITH THE TOWNSHIP CLERK BEFORE THE CLOSE OF THE HEARING OR WITHIN SUCH FURTHER TIME AS THE TOWNSHIP BOARD MAY GRANT, IF ANY, AND IN SUCH CIRCUMSTANCES A PERSONAL APPEARANCE AT THE HEARING SHALL NOT BE REQUIRED THE OWNER OR ANY PERSON HAVING AN INTEREST IN THE REAL PROPERTY WHO PROTESTS IN PERSON OR IN WRITING AS PROVIDED ABOVE MAY FILE A WRITTEN APPEAL OF A SPECIAL ASSESSMENT WITH THE STATE TAX TRIBUNAL WITHIN 35 DAYS AFTER THE CONFIRMATION OF THE SPECIAL ASSESSMENT LEVY (OR WITHIN SUCH OTHER TIME PERIOD AS MAY BE REQUIRED OR ALLOWED BY LAW).

The foregoing hearing and all proceedings associated with this special assessment matter will be conducted in accordance with and pursuant to 1954 PA 188, as amended, the Michigan Open Meetings Act, and any other applicable law.

Cheshire Township will provide necessary reasonable auxiliary aids and services at the meeting/hearing to individuals with disabilities, such as signers for the hearing impaired and audiotapes of printed materials being considered, upon reasonable notice to the Township. Individuals with disabilities requiring auxiliary aids or services should contact the Township Clerk as designated below.

Jodi Pinnell, Clerk
Cheshire Township
1061 37th Street
Allegan, MI 49010
(269) 521-3440

Public Notices

Notice of Foreclosure by Advertisement

Notice is given under section 3212 of the revised judicature act of 1961, 1961 PA 236, MCL 600.3212, that the following mortgage will be foreclosed by a sale of the mortgaged premises, or some part of them, at a public auction sale to the highest bidder for cash or cashier's check at the place of holding the circuit court in Allegan County, starting promptly at 9:00 AM, on June 18, 2026. The amount due on the mortgage may be greater on the day of sale. Placing the highest bid at the sale does not automatically entitle the purchaser to free and clear ownership of the property. A potential purchaser is encouraged to contact the county register of deeds office or a title insurance company, either of which may charge a fee for this information:

Notice of foreclosure by advertisement. Notice is given under section 3212 of the revised judicature act of 1961, 1961 PA 236, MCL 600.3212, that the following mortgage will be foreclosed by a sale of the mortgaged premises, or some part of them, at a public auction sale to the highest bidder for cash or cashier's check at the place of holding the circuit court in Allegan County, starting promptly at 9:00 AM on JULY 2, 2026. The amount due on the mortgage may be greater on the day of the sale. Placing the highest bid at the sale does not automatically entitle the purchaser to free and clear ownership of the property. A potential purchaser is encouraged to contact the county register of deeds office or a title insurance company, either of which may charge a fee for this information.

Default has been made in the conditions of a mortgage made by Bruce Larsen, Jr., single man, to Mortgage Electronic Registration Systems, Inc., as nominee for Northern Mortgage Services, LLC., its successors and assigns, Mortgagee, dated August 18, 2021 and recorded August 23, 2021 in Liber 4661, Page 849 Allegan County Records, Michigan, and Affidavit Affecting Realty recorded May 18, 2026 in Liber 5138, Page 801 Allegan County Records, Michigan. Said mortgage is now held by NewRez LLC, by assignment. There is claimed to be due at the date hereof the sum of Two Hundred Thirty-Two Thousand Three Hundred Eighty and 95/100 Dollars ($232,380.95).

Under the power of sale contained in said mortgage and the statute in such case made and provided, notice is hereby given that said mortgage will be foreclosed by a sale of the mortgaged premises, or some part of them, at public vendue at the place of holding the circuit court within Allegan County, Michigan at 9:00 AM on JULY 2, 2026.

Said premises are located in the Township of Dorr, Allegan County Michigan, and are described as:

Lot 1, Hidden Forest Estates No. 1, according to the plat thereof as recorded in Liber 13 of Plats, Page 9, Allegan County Records.Also, commencing at the Southwest corner of said Lot 1, Hidden Forest Estates No. 1; thence South 89 degrees 25'52" East 117.0 feet along the South line of said Lot; thence South 00 degrees 51'52" West 50.0 feet; thence North 89 degrees 25'52" West 117.0 feet; thence North 00 degrees 51'52" East 50.0 feet to the place of beginning, being part of the Northeast 1/4 of Section 15, Town 4 North, Range 12 West.

1678 Slater Ave, Dorr, Michigan 49323

The redemption period shall be 6 months from the date of such sale, unless determined abandoned in accordance with MCLA §600.3241a, in which case the redemption period shall be 30 days from the date of such sale.

If the property is sold at foreclosure sale, pursuant to MCL 600.3278, the borrower will be held responsible to the person who buys the property at the mortgage foreclosure sale or to the mortgage holder for damage to the property during the redemption period. FinCEN reporting will be required of all successful purchasers, absent a lawful exemption.

Notice of Foreclosure by Advertisement

Notice is given under section 3212 of the revised judicature act of 1961, 1961 PA 236, MCL 600.3212, that the following mortgage will be foreclosed by a sale of the mortgaged premises, or some part of them, at a public auction sale to the highest bidder for cash or cashier's check at the place of holding the circuit court in Allegan County, starting promptly at 9:00 AM, on July 2, 2026. The amount due on the mortgage may be greater on the day of sale. Placing the highest bid at the sale does not automatically entitle the purchaser to free and clear ownership of the property. A potential purchaser is encouraged to contact the county register of deeds office or a title insurance company, either of which may charge a fee for this information:

Name(s) of the mortgagor(s): Zachary Kragness, a single man

Original Mortgagee: Mortgage Electronic Registration Systems, Inc., as mortgagee, as nominee for lender and lender's successors and/or assigns

Foreclosing Assignee (if any): Nationstar Mortgage LLC

Date of Mortgage: July 3, 2017

Date of Mortgage Recording: July 11, 2017

Amount claimed due on date of notice: $188,451.28

Description of the mortgaged premises: Situated in City of Fennville, Allegan County, Michigan, and described as: Lot 20, Landsburg's Plat, according to the plat thereof recorded in Liber 6 of Plats, Page 26, Allegan County Records

Common street address (if any): 5667 Landsburg Rd, Fennville, MI 49408-9479

The redemption period shall be 6 months from the date of such sale, unless determined abandoned in accordance with MCL 600.3241a; or, if the subject real property is used for agricultural purposes as defined by MCL 600.3240(16).

If the property is sold at foreclosure sale under Chapter 32 of the Revised Judicature Act of 1961, pursuant to MCL 600.3278 the borrower will be held responsible to the person who buys the property at the mortgage foreclosure sale or to the mortgage holder for damaging the property during the redemption period.

Attention homeowner: If you are a military service member on active duty, if your period of active duty has concluded less than 90 days ago, or if you have been ordered to active duty, please contact the attorney for the party foreclosing the mortgage at the telephone number stated in this notice.

This notice is from a debt collector.

NOTICE

JGB Management LLC, doing business as Right Way Control Services, has been contracted by the City of Otsego to perform chemical brush control services via crack and crevice application along designated public areas throughout the city.

In doing so, they will be applying Ranger Pro Herbicide (Glyphosate), Tigris Flumioxazin 51 (Flumioxazin), and Alligare Prodiamine 65 (Prodiamine) between June 22, 2026 and June 26, 2026.

Please be advised not to enter treated areas until spray has dried.

Additional information may be requested by contacting applicators Garrett Farney at (616) 238-1615 or Brad Sanders at (616) 550-3673. Inquiries may also be sent via email to rwcontrolservices@gmail.com

Notice

of Public Hearing
Salem Township
Planning Commission

Notice is hereby given pursuant to Public Act 110 of 2006, as amended (The "Michigan Zoning Enabling Act") the Planning Commission of Salem Township will hold a public hearing to deliberate and possibly take action on the following items on Thursday, July 2nd at 7:00 p.m. at Salem Township Hall, located at 3003 142nd Avenue, Burnips, Michigan:

1. A request from Mike Scholten, owner of 3285 138th Avenue, also known as parcel number 03-19-029-015-20, for a special use permit to construct an accessory building larger than permitted by right within the R-1 Agricultural and Rural Estate Zoning District, per Section 15.09(b)(2) of the Salem Township Zoning Ordinance.
2. Any other business that comes properly before the Planning Commission.

A copy of the application is available for review at the Township Hall during regular business hours. This meeting is intended to provide an opportunity for Township residents and interested citizens to express their opinions, ask questions, and discuss all aspects of the request. Those unable to attend the public hearing are invited to submit written comments to the attention of the Zoning Administrator at the Township Hall address cited above. All written comments must be received by no later than 4:00 p.m. on July 2nd, 2026.

If any resident has a physical disability which may limit his/her participation in this hearing, please notify the Township Hall at least five (5) days prior to the hearing so that reasonable accommodation may be made.

NOTICE - PUBLIC LAND AUCTION

The Allegan County Treasurer will offer tax- reverted real estate at public auction on August 6th, 2026.

The auction will be held online at www.tax-sale.info from 10:00am to 7:00pm EDT. Bids can also be placed up to 30 days in advance on the website, and assistance is available for those without computer or internet access.

Incomplete or voided sales from August 6th, 2026, auction, if any, will be re-offered online at www.tax-sale.info on September 25th, 2026, from 10:00am to 7:00 pm EDT.

Unsold tax reverted real estate from either of the previous auctions will be re-offered online at www.tax-sale.info on October 30th, 2026. All bids must be placed by 7:00 pm EDT for this auction.

Answers to common questions about the auction process and additional information can be found at www.tax-sale.info/faq For more information and to view a list of the properties being offered, please visit: www.tax-sale.info or call 1-800-259-7470. Auction listings may also be available at the County Treasurer's office.

NOTICE

Allegan Township is seeking a Township Supervisor to fill the vacancy through the general election 2028. The position will require office hours of Monday-Thursday, 9am-1pm. The candidate should be professional and work well with others.

Duties would include: Preside over township board meetings; Serve as the Township's legal agent; Chief assessing officer; Budget development responsibilities; Maintain township administration; Appointment and committee roles; records and administrative responsibilities.
Pay is commensurate with other township supervisor positions.

Interested candidates may submit a letter of interest and resume by June 18, 2026 to Allegan Township, 3037 118th Ave., Allegan, Michigan 49010, or via email to office@allegantownship.org. Please call 269-673-5051 with questions.

PUBLIC NOTICE

Office of the Allegan County Treasurer,
Sally L. Brooks Qualifying Income Limit To Defer Summer Property Taxes

Impacts senior citizens, veterans and persons with disabilities The Michigan General Property Tax Act has been amended to allow certain citizens, including senior citizens, veterans, and persons with disabilties, to defer their summer property taxes if they have a household income below $40,000.

To qualify for the deferement under the qualifying income limit, a resident must meet one or more of the following conditions as defined by the State Income Tax Act 211.51:

- Is a totally and permananently disabled person, blind person, paraplegic, quadriplegic.
- Eligible serviceperson, eligible veteran, or eligible widow or widower.
- Is 62 years of age or older, including the unremarried surviving spouse of a person who was 62 or older at time of death.

Residents who believe they qualify and wish to defer their summer property taxes can obtain an Application for Deferment of Summer Taxes from the treasurer of their local property tax collecting unit. Collection of the approved deferred taxes will be delayed until the winter property taxes are due.

If you need the phone number of your local Treasurer, please contact my office at 269-673-0260 or visit www.allegancounty.org

Sally L. Brooks, Allegan County Treasurer

DORR TOWNSHIP

ZONING BOARD OF APPEALS
NOTICE OF PUBLIC HEARING

TO: THE RESIDENTS AND PROPERTY OWNERS OF DORR TOWNSHIP, ALLEGAN COUNTY, MICHIGAN, AND ANY OTHER INTERESTED PERSONS:

PLEASE TAKE NOTICE that the Zoning Board of Appeals of Dorr Township will conduct a public hearing concerning the following matters to be held on Wednesday, July 1st, 2026 at 7:00 p.m. at the Dorr Township Hall, located at 1683 142nd Avenue, Dorr, MI.

PLEASE TAKE FURTHER NOTICE that the item(s) to be considered include, in brief, the following:

1. An application from United Iron and Metal, owner of 2311 141st Avenue, also known as permanent parcel number 03-05-019-009-00, for a nondimensional (use) variance to expand a legally nonconforming use (salvage yard) within the RE Rural Estate District by more than 50% of the original facility.
2. Such other and further business as may properly come before the Zoning Board of Appeals

A copy of applications and related materials is available for review at Dorr Township Hall during regular business hours. Written comments will be received from any interested persons concerning the foregoing application(s) by the Dorr Township Clerk at the Township Hall at any time during regular business hours up to the date of the hearing and may be further received by the Zoning Board of Appeals at the hearing. All interested persons are invited and urged to participate.

Dorr Township will provide necessary reasonable auxiliary aids and services, such as interpreters for the hearing impaired and audio tapes of printed material being considered at the hearing, to individuals with disabilities at the hearing upon four (4) days' notice to the Dorr Township Clerk. Individuals with disabilities requiring auxiliary aids or services should contact the Dorr Township Clerk at the address above or by calling 616-681-9874.

DEBBIE SEWERS, CLERK
DORR TOWNSHIP BOARD OF TRUSTEES
616-681-9874

NOTICE

OF PUBLIC HEARING
CITY OF WAYLAND
PLANNING COMMISSION

The Planning Commission of the City of Wayland will hold a Public Hearing on Tuesday, July 14, 2026, at 7:00 pm, at Wayland City Hall in the Council Chambers, located at 103 S. Main Street, Wayland, MI 49348, to consider the following Zoning Ordinance Text Amendment:

DESCRIPTION OF PROPOSED AMENDMENTS

To amend part (5) of Article XII, Central Business District, Section 20-372, Principal Permitted Uses, of the City of Wayland Zoning Ordinance to read:

"(5) General and professional offices not including medical and dental clinics"

The effect of this amendment is to allow medical and dental clinics by right in the Central Business District.

The proposed zoning text amendment is available at the Wayland City Hall for public examination and review during normal business hours. Interested persons may submit comments in writing before the public hearing, or appear in person at the public hearing to become part of the hearing record. The City of Wayland will provide necessary and reasonable aids and services for disabled persons upon 5 days prior notice to the City Clerk at (269) 792-2265.

Amanda Rodriguez
City Clerk
City of Wayland

Notice

of Public Hearing to Adopt a Brownfield Plan
NOTICE OF PUBLIC HEARING,
City of Fennville, Michigan

NOTICE OF PUBLIC HEARING ON THE ADOPTION OF A BROWNFIELD PLAN FOR THE CITY OF FENNVILLE PURSUANT TO AND IN ACCORDANCE WITH ACT 381 OF THE PUBLIC ACTS OF THE STATE OF MICHIGAN OF 1996, AS AMENDED PLEASE TAKE NOTICE THAT a Public Hearing shall be held before the City Commission of the City of Fennville on the 15th day of June, 2026, at 6 p.m. in the Fennville City Hall, 125 S. Maple St. Fennville, MI 49408. The Brownfield Redevelopment Authority shall exercise its powers pursuant to and in accordance with the provisions of the Brownfield Redevelopment Financing Act, being Act 381 of the Public Acts of the State of Michigan of 1996, as amended. The description of the proposed brownfield property is: Land situated in the City of Fennville, County of Allegan, State of Michigan, described as follows: Parcel #52-032-006-01, 612 Glenview Dr. The proposed brownfield plan would allow the developer and BRA to be reimbursed for eligible costs incurred to prepare the brownfield property for redevelopment. Eligible costs may include environmental and/or site preparation costs. The brownfield plan must first be approved by the City Commission. This description of the property along with any maps and a description of the Brownfield Plan are available for public inspection at Fennville City Hall. All aspects of the Brownfield Plan are open for discussion at the public hearing.

Public Notices

notice. Notice of foreclosure by advertisement. Notice is given under section 3212 of the revised judicature act of 1961, 1961 PA 236, MCL 600.3212, that the following mortgage will be foreclosed by a sale of the mortgaged premises, or some part of them, at a public auction sale to the highest bidder for cash or cashier's check at the place of holding the circuit court in Allegan County, starting promptly at 09:00 AM, July 16, 2026. The amount due on the mortgage may be greater on the day of the sale. Placing the highest bid at the sale does not automatically entitle the purchaser to free and clear ownership of the property. A potential purchaser is encouraged to contact the county register of deeds office or a title insurance company, either of which may charge a fee for this information. Default has been made in the conditions of a certain mortgage made by James A. Laux, A Married Man to Fifth Third Mortgage - MI, LLC, Mortgagee, dated July 31, 2014, and recorded on August 18, 2014, in Liber 3858, Page 910, Allegan County Records, said mortgage was assigned to Fifth Third Bank, National Association, FKA Fifth Third Bank as successor by merger to Fifth Third Mortgage Company by an Assignment of Mortgage dated August 21, 2015 and recorded August 25, 2015 in Liber 3957, Page 153, on which mortgage there is claimed to be due at the date hereof the sum of Sixty-Seven Thousand Two Hundred Eighty-Nine and 70/100 ($67,289.70) including interest at the rate of 4.37500% per annum. Said premises are situated in the Township of Clyde, Allegan County, Michigan, and are described as: Commencing at a point 344.0 feet North of the South 1/8 post of the Southeast 1/4 of Section 17, Town 2 North, Range 15 West, Clyde Township, Allegan County, Michigan; Thence continuing North 208.71 feet; Thence East 417.42 feet; Thence South 208.71 feet; Thence West 417.42 feet to the place of beginning. Also commencing 344 feet North of the South 1/8 post of the Southeast 1/4 of Section 17, Town 2 North, Range 15 West, Clyde Township, Allegan County, Michigan; Thence East 417.42 feet to the place of beginning of this description; Thence North 208.71 feet; Thence East to Chesapeake and Ohio Railroad right of way; Thence Southerly along said railroad right of way to a point 344 feet North of the South Section line; Thence West to beginning. Commonly known as: 1823 57TH ST, FENNVILLE, MI 49408 If the property is eventually sold at foreclosure sale, the redemption period will be 6.00 months from the date of sale unless the property is abandoned or used for agricultural purposes. If the property is determined abandoned in accordance with MCL 600.3241 and/or 600.3241a, the redemption period will be 30 days from the date of sale, or 15 days after statutory notice, whichever is later. If the property is presumed to be used for agricultural purposes prior to the date of the foreclosure sale pursuant to MCL 600.3240, the redemption period is 1 year. Pursuant to MCL 600.3278, if the property is sold at a foreclosure sale, the borrower(s) will be held responsible to the person who buys the property at the mortgage foreclosure sale or to the mortgage holder for damaging the property during the redemption period. TO ALL PURCHASERS: The foreclosing mortgagee can rescind the sale. In that event, your damages are, if any, limited solely to the return of the bid amount tendered at sale, plus interest. Dated: June 4, 2026 Randall S. Miller & Associates, P.C. Attorneys for Fifth Third Bank, National Association, FKA Fifth Third Bank as successor by merger to Fifth Third Mortgage Company 43252 Woodward Avenue, Suite 180, Bloomfield Hills, MI 48302, (248) 335-9200 Hours: 9:00 a.m. - 5:00 p.m. Case No. 25MI00069-2

Notice of Foreclosure by Advertisement
Notice is given under section 3212 of the revised judicature act of 1961, 1961 PA 236, MCL 600.3212, that the following mortgage will be foreclosed by a sale of the mortgaged premises, or some part of them, at a public auction sale to the highest bidder for cash or cashier's check at the place of holding the circuit court in Allegan County, starting promptly at 9:00 AM, on July 16, 2026. The amount due on the mortgage may be greater on the day of sale. Placing the highest bid at the sale does not automatically entitle the purchaser to free and clear ownership of the property. A potential purchaser is encouraged to contact the county register of deeds office or a title insurance company, either of which may charge a fee for this information:
Name(s) of the mortgagor(s): Brian J. Kirk, a married man
Original Mortgagee: Member First Mortgage, LLC
Foreclosing Assignee (if any): None
Date of Mortgage: May 31, 2014
Date of Mortgage Recording: June 5, 2014
Amount claimed due on date of notice: $55,739.40
Description of the mortgaged premises: Situated in Township of Otsego, Allegan County, Michigan, and described as: Lot 6, Bridges Acres, as recorded in Liber 10 of Plats, Page 19, Allegan County Records.
Common street address (if any): 330 12th St, Plainwell, MI 49080-1117
If the property is sold at foreclosure sale under Chapter 32 of the Revised Judicature Act of 1961, pursuant to MCL 600.3278 the borrower will be held responsible to the person who buys the property at the mortgage foreclosure sale or to the mortgage holder for damaging the property during the redemption period.
Attention homeowner: If you are a military service member on active duty, if your period of active duty has concluded less than 90 days ago, or if you have been ordered to active duty, please contact the attorney for the party foreclosing the mortgage at the telephone number stated in this notice.

Fennville library brings summer reading to Pullman in new partnership

By Art Nicholas

When the final school bell rings each June, many students start losing ground without even realizing it. Researchers call it the "summer slide" — the well-documented dip in reading and math skills that can occur when children spend the vacation months away from books and structured learning. The effect is not trivial. A landmark Johns Hopkins study by Karl Alexander and Doris Entwisle, drawing on Baltimore's Beginning School Study, found that summer learning differences accumulate year after year and account for much of the achievement gap between lower- and higher-income students by the time they reach high school.

Reading researchers Richard Allington and Anne McGill-Franzen have spent years documenting the same pattern: a review of studies covering roughly 40,000 students found that children from lower-income families tend to lose reading ground over the summer, while children with easy access to books hold steady or even gain. The difference, the research suggests, comes down largely to access — whether a child has interesting, self-selected books within reach during the months school is out.

That is precisely the gap public libraries are built to close. A three-year national study from Dominican University, funded by the Institute of Museum and Library Services and titled Public Library Summer Reading Programs Close the Reading Gap, found that students who took part in a public library's summer reading program scored higher on reading achievement tests at the start of the next school year than peers who did not participate. Parents in the study also reported their children read more, read more confidently, and felt better prepared for fall.

The Fennville District Library is putting that research into practice this summer — and, for the first time, carrying it well beyond its own walls.

The library has launched a new summer reading program in Pullman, partnering with the volunteer group Beautify Pullman to reach families who may not be able to make the trip into Fennville. Running from

Monday, June 8, through Friday, August 7, the program is open to children, teens, and adults.

"The library's goal is always to expand outreach to more families who may not have the opportunity to come to the library," said Teresa Kline, director of the Fennville District Library. "We reached out to Beautify Pullman with our idea, and their dynamic volunteers loved it and were quick to help design the program."

The result is a reading challenge built around a bingo card: participants read books to fill in squares, aiming to complete a line or the four corners. Books and bingo sheets can be picked up in Pullman at Pizza Plus, Wednesday through Sunday from 4 to 9 p.m., and at the Pullman Town Square on Saturdays from 10 a.m. to noon. After a first bingo, readers can bring their sheet to Pizza Plus and spin a prize wheel; completing two bingos earns a finisher prize. Each bingo also comes with a slip that can be entered into one of seven prize raffles, with rewards that include a ReelPlay pass, an Urban Air gift card, and gift cards to Crumbl Cookie, Meijer, Tastee Treat, The Root, and Allegan Event.

"It has truly been a collaborative effort between the library and Beautify Pullman," Kline said. "This program will help keep families reading over the summer and help combat summer learning loss. We are so excited."

In Fennville, the library is offering its own slate of summer activities. Children's programming runs Monday through Friday at 1 p.m. from June 8 through August 7, while teen and adult programming takes place every Monday evening at 6 p.m. from June 15 through August 3. The season opens with a summer reading kick-off event on Monday, June 8, from 10 a.m. to 7 p.m., and the public is invited to stop by.

Kline said the library hopes to draw more than 400 participants across all of its programs this summer — and that the Pullman partnership reflects a broader strategy.

"The library will continue to connect and collaborate with other organizations in our service area," she said, "to build partnerships that strengthen the library's ties in the community."

For families in Pullman who have long found the library just out of reach, that collaboration may be the difference between a summer of lost ground and a fall spent ready to read.

The Fennville District Library is located at 400 West Main Street, Fennville. For more information about summer reading, call 269-561-5050.
